[Here to Judge Theme Song]

Priya: Welcome to Here to Judge where we scour the internet to dissect dilemmas and decide who's to blame. Here to Judge today is me, Priya Hall.

Robin: Me, Robin Morgan.

Leila: And me, Leila Navabi.

Leila: 'Am I the asshole for asking my neighbours to pay me for borrowing my chairs without my consent and ruining them? A while back I bought a bunch of cheap folding chairs from IKEA for my son's birthday party. And if anyone is having an event, a BBQ and needs to borrow them I lend them out. It's no big deal I just ask that they return them in a timely manner.

I lent the chairs out to my neighbour Mark, and instead of returning them he let Barb another neighbour borrow them. I was not aware of this until Barb contacted me on Facebook to say that she had my chairs. I asked Mark 'Mark why does Barb have my chairs?' And he told me that Barb had said, that I had said 'It's cool'. I was annoyed. I told her to bring the chairs back, she did but four of them are completely ruined. My husband tried but he can't bend them back into shape. I asked Barb 'What happened to them?' she said that when she sat on them they bent and told me they're crappy and dangerous. We'd had the chairs for without any issues

For what it's worth, Barb and her husband are both on the bigger side, and maybe they sat on them weirdly. But I said to Barb 'Look Barb' I'm adding 'Look Barb' because I think it funny [laughs] But I said to Barb 'Look Barb, you

Here to Judge- Horrible Manipulator

didn't even ask me to borrow them, you lied to Mark'. Barb was like 'Oh come on, you let everyone borrow them, it's no big deal they are just cheap chairs.' And I was like, 'OK for the ones you guys bent give me £15 each'. Barb has refused saying 'That's messed up' and saying I should have had chairs that can support full bodied adults. I didn't let it go and she begrudgingly sent the money over. Am I the asshole though? I get these are crappy chairs but she borrowed them without my consent and we're not even friends.'

Priya: This woman hates Barb.

Robin: Oh yeah.

Priya: And Barb doesn't sound like a lot of fun but his woman fucking hates Barb [laughs].

Robin: Do you think it's a woman?

Priya: Oh I don't know, I assumed.

Leila: No she didn't say she was a woman as well.

Robin: That's interesting, I assumed it was a dude.

Leila: Really?

Priya: Because only men can purchase chairs?

Robin: Exactly. There was no line saying 'I asked my husband permission to buy chairs'. You know? There was no line for that. But that's interesting.

Leila: I don't know but whoever it is hates Barb so much.

Robin: They mentioned that their husband can't put the chairs back together and if we're assuming that it's a het relationship then maybe it is a woman.

Leila: Yeah this is a het relationship. No queer person is as pressed about chairs, let me tell you now. And certainly not about bent things.

Here to Judge- Horrible Manipulator

Robin: They've got bigger issues at play.

Leila: Yeah exactly and they wouldn't be using the word bent to describe a chair, that's too triggering.

Robin: Barb is the best name for somebody in this.

Leila: I know isn't it?

Priya: Yeah Barb is well suited to this story.

Robin: Yeah it feels like a storyline in Malcolm in the Middle, it feels like that kind of thing, Barb in the Middle.

Leila: What's Barb short for? Barbara?

Priya: Barbara.

Robin: Barbara.

Leila: I've not met a Barbara in recent times. I can't say I've ever met a Barbara.

Priya: I feel like I've known a lot of Barbara in my times.

Leila: You have? Oh wow.

Priya: Yeah. But like old people, I've never met a young Barbara.

Leila: Imagine little baby Barbara?

Robin: Baby Babs.

Priya: Little baby Bab.

Leila: I actually love that, I that is such a good name.

Robin: Baby Babs yeah.

Leila: Everyone should just call their little children Barbara. Babs. Baby Babs.

Priya: It's Babs, then Barb as middle-age and then Barbara as an old lady.

Here to Judge- Horrible Manipulator

Leila: Yeah.

Robin: Yeah.

Priya: Right?

Robin: Give your children cups of tea and call them Barbara.

Leila: Yeah [laughs]

Robin: That's our new parental advice.

Leila: I absolutely agree. Let me look back at this. So she bought them for her son's birthday party?

Robin: Yeah.

Priya: Yeah she keeps saying how cheap they are but she's charging them £15 per chair which feels, I mean I don't buy chairs, I don't think I've ever bought a chair.

Leila: How much are chairs? I actually have no idea how much.

Priya: No clue.

Robin: Like a folding chair, I reckon you get sort of a cheap folding garden chair for 7 quid? 8 quid?

Leila: I've got a chair here that I could show you that I bought from Argos for £7 if that's of any help. I'll get Kitty to get it.

Robin: Yeah. I think that's about it.

Leila: Kitty, can you bring the foldaway chair here?

Robin: We should give Kitty a credit on the end of the podcast. Chair handler.

Leila: Go on, please. So this is the chair.

Priya: Yeah that's the kind of chair I was expecting.

Robin: Oh yeah that's a classic £7 chair.

Here to Judge- Horrible Manipulator

- Leila: Like it's ugly, it's just got like a white bottom.
- Robin: But that's also quite sort of like WWF Wrestling smash over the head chair isn't it?
- Priya: Yeah, yeah, yeah.
- Leila: Yeah it is isn't it? Thank you very much.
- Kitty: You're welcome.
- Robin: Round of applause for Kitty.
- [Applause]
- Leila: Hooray.
- Priya: It's school dinner hall chairs is what I'm picturing. Because she's got so many of them that she can host a party with all of them.
- Robin: Yeah they're stackable.
- Priya: And they are not £15 each. She's scamming Barb.
- Leila: Have you ever been to Jump in Cardiff when you were little?
- Robin: What's Jump?
- Priya: The trampoline place?
- Leila: Not it's like a soft play kids thing.
- Priya: Oh no.
- Leila: Oh no.
- Priya: We had Scallywags.
- Leila: Oh I remember Scallywags.
- Robin: Scallywags was that Charlie Chalk's, was that the same thing?

Here to Judge- Horrible Manipulator

- Priya: Yeah so we had a Charlie Chalk's and a Scallywags in Caerphilly. Scallywags I would say was more dangerous and whenever anyone went through the spider web which was just rubber webbing got their hair stuck in it.
- Robin: The spider web! And also I'm sure like a kid broke his neck or something because it was basically just black tape.
- Priya: So many rumours.
- Robin: It's so dangerous.
- Leila: Do you remember Play Time Palace anyone?
- Robin: Oh.
- Leila: It used to be behind the Tesco.
- Robin: That rings a bell.
- Leila: They closed it down when I was about five I think.
- Robin: My parents would never have let me go to those places.
- Leila: Why?
- Priya: No? Whacky Warehouse?
- Robin: Yeah like I would have gone to them for a birthday party, but we never would have gone there as a family.
- Leila: Oh yeah.
- Priya: Oh yeah I think I only went for parties. No one was taking their kids there of like a Wednesday afternoon.
- Leila: Who takes their kids to soft play? Yeah imagine.
- Priya: Who likes their kid that much?
- Leila: Wait, do you do that with your children Robin?
- Robin: Um? Yeah I used to take my kids to soft play like as a Saturday morning thing, before the plague.

Here to Judge- Horrible Manipulator

- Priya: Aww that's sweet.
- Leila: Aww that is very nice.
- Robin: Just throw them down Scallywags, good luck.
- Leila: Yeah, yeah, yeah [laughs].
- Robin: Godspeed.
- Priya: May the odds be ever in your favour.
- Robin: Yeah [laughs] I'll be in the corridor on my phone thank you very much.
- Leila: I know what you mean about, maybe they're like children's chairs though? If it's for her son's birthday party?
- Robin: How old is the son?
- Priya: I don't know why but I pictured here son being in his teens and I don't know what I made that assumption.
- Leila: Did you?
- Robin: Yeah.
- Priya: I think the name Barb threw me off age wise.
- Leila: Right.
- Robin: Yeah. And who's Mark? So yeah Mark is a younger neighbour. They can give the chairs to Mark, Mark's not going to do anything weird with it, it's Mark. But Mark gives it to Barb, come on. What it is? Like a WI meeting?
- Priya: And Barb lies to get them.
- Robin: Barb is a fuckin' liar!
- Leila: Right this person fancies Mark.
- Robin: Sure. Sure.

Here to Judge- Horrible Manipulator

Leila: Look, I think it's all a lie and she's probably not lent chairs before. She's got these chairs and Mark has said, what's her name? Shall we give her a name? Susan. Mark's been like 'Susan darling'.

Robin: That's my mum's name.

Leila: Oh let's do another name. Um?

Robin: Kevin, oh that's my dad's name [laughs].

Leila: [Laughs] Trish. Let's do this 'Tricia darling, I've noticed from when I look into your garden that you've got some lovely foldaway chairs and I would love to borrow them for my swing party tomorrow night, please may I have them?'

Priya: Mark's an old-timey-dandy.

Leila: Yeah in my head he's Mr Darcy kind of vibe.

Priya: Sure.

Leila: And she's like 'Oh of course Mark Darcy, I'll give you these chairs'. And so she's given them to him and she's like 'I really didn't want to give the chairs away'. Like when someone you fancy in school asks to borrow a pen and you really don't want to fucking give them the pen but you're also like but I fancy you so I'll give you the fucking pen. It's like that.

Robin: Out of all the mentioning of a swinging party then, I feel like the sexiest thing you brought up was someone who fancied asking to borrow a pen. Because that has just taken me back to sort of high school and the sexual tension involved in that. That is such a weirdly like...

Leila: 'Let me draw on your hand'. Did you ever have that? 'Let me draw on your hand'.

Priya: Yes.

Here to Judge- Horrible Manipulator

Robin: Honestly that or drawing on someone else's notes or something.

Priya: Signing your pencil case. Yeah.

Leila: Oh signing your pencil case yeah.

Priya: Yeah.

Robin: Like I broke my arm in Year 9 and a girl that I fancied signing my cast, I was like 'She fucking loves me. She loves me'.

Leila: [Laughs]

Priya: It's time!

Robin: This time I'll break every bone in my body!

Priya: [Laughs]

Robin: That stuff is so weird isn't it?

Leila: Do you remember when you'd have a shirt signed at school? Did you ever do that like when you left?

Priya: Yeah.

Leila: I remember when I left school this boy that I thought I fancied signed my boob and I felt nothing. And then I was like, this is interesting.

Priya: Oh no.

Leila: Why am I not thrilled about this?

Robin: Oh that's so interesting! Is that moment?

Leila: Yeah I was excited in a street cred kind of way.

Robin: Hmm?

Leila: But like not in any way I should be when a man you're meant to fancy is touching your tit. I say man, he was

Here to Judge- Horrible Manipulator

probably about 14 at the time I don't know. So I was I, just FYI.

Robin: 40?

Leila: 14.

Robin: Oh 14! Fucking hell. It's like Mr Steven the science teacher.

Leila: [Laughs] Oh there was always a weird teacher that would sign you in a sign you in a strange place wasn't there? No? Just my school?

Priya: None of my teachers signed my shirt.

Leila: Oh yeah they all signed our shirts and it was so weird.

Robin: Christ!

Leila: Yeah I didn't like that. I remember one distinctly signing like the little bit of fat under my armpit on my back. Do you know that little bit? Neither of you probably have that. It's just sort of under the back of your arm.

Priya: By your bra?

Robin: Is it where your bra strap kind of?

Leila: By your bra, yeah, yeah, yeah. And I remember him signing it on there and being like ugh, that's a bit disgusting.

Robin: Ugh! [Laughs]

Leila: That's gross. What's our conclusion here then lads? Do we have any?

Priya: I think she should move. I think she's not in the wrong but she should move, she hates Barb. And also this love affair with Mark is never going to work out, he's just using you for your chairs.

Here to Judge- Horrible Manipulator

Robin: I don't think the OP is an asshole here. I think that her goodwill has been taken advantage of by various people. She may have overcharged for the chairs but I think also she's earning a bit of profit off it. Do you think the same then? Do you think the OP is fine?

Leila: Yeah I do, I think she's in the right really but there's a part of me that's like you know, not everything has to be binary [laughs].

Priya: [Laughs] But what about the format of the show Leila?

Robin: This is true.

Leila: Yeah the format of the show yeah. [laughs].

Priya: For the purposes of this show sometimes it has to be.

Leila: Yeah absolutely.

Robin: I'd love you as a judge on Britain's Got Talent, you're like 'I'm just not sure'.

Leila: It's a maybe from me.

Robin: Yeah can I put half the X on? Alesha, can I put half the X on?

Priya: Or just one line.

[Here to Judge- Interim Music]

Priya: OK this one is from Reddit. 'Am I the asshole for thinking my girlfriend is deliberately making me shit cups of tea so I don't ask her to make me one anymore? I, 22, female, have been with my partner 23, female, for over three years now. I think our relationship has an equal division of give and take. I Hoover, she washes the dishes, I wash and dry the clothes and so on. At the start of our relationship we also had an equal division of tea making duty I'd say. It's just something we do for each other. Now I think probably because our chores are mostly she

Here to Judge- Horrible Manipulator

doing kitchen stuff and me doing DIY/ living room/ bathroom stuff, she has become the resident cup of tea maker. It's been lovely and fine but recently I've noticed them cups of tea aren't good. They're not milky or strong enough, it's basically hot water. I'm starting to think she's doing this deliberately so I make my own damn tea, which TBH fair, but am I the asshole for thinking it?'

Robin: Yes.

Leila: Mm? Yeah.

Priya: Yeah.

Robin: 100% yes.

Priya: She already knows she's got to make her own tea.

Robin: Yeah my wife, I love more than anyone in the world and she makes awful fucking tea.

Leila: No.

Robin: And she'll be the first person to admit it. And then on Monday I was doing some writing and she brought me up a cup of tea and it was so nice that I stopped drinking it and text her straightaway and we've got this sort of in-joke of like 12 year relationship conversations, and it's just like the dull shit that you talk about in your long-term relationship. But I just said 'This tea is amazing, oh my god you've really turned a corner'.

Leila: Do you think she's just realised that she's married to Mock The Week's Robin Morgan?

Robin: Yeah I think that's it.

Priya: She has to up her game.

Leila: She's like, don't leave me, I can make good tea.

Priya: She's on YouTube tutorials.

Here to Judge- Horrible Manipulator

Robin: [Laughs] It was the day before Mock recording and I wonder whether she thought I was going to roast her?

Leila: Yeah.

Robin: I was going to call her out on BBC2.

Leila: I wonder? I don't know, if that's your job is like the tea maker, like do you know what I mean?

Priya: It sounds like she does more though. She says she does kitchen stuff which is loads of stuff I would say. Right? That's like bins and washing dishes and cooking.

Robin: I'd say kitchen stuff is more common than any other room.

Leila: Yeah OP right is doing DIY, living room and bathroom stuff.

Priya: Just based on the look on your face are you OP?

Leila: [Laughs hysterically]

Robin: [Laughs]

Leila: No?

Priya: Because the ages seem right.

Leila: Yeah this is mine, this is me [laughs].

Robin: Leila is ten years old, don't say that, Leila is so young.

Priya: She's too young to make her own tea, it's too dangerous.

Leila: I just genuinely wanted to know, I had the thought the other day. Because they're becoming very shit and I've decided that I needed to put this to a jury and then I thought I'll send this in. But you've both told me I'm an asshole so.

Robin: Wait is this actually true?

Here to Judge- Horrible Manipulator

Leila: Yes.

Robin: Is this actually you?

Leila: Yes I emailed JoSo, this is mine.

Robin: Fuck off.

Leila: No.

Robin: Fuck off.

Leila: It's mine, it's mine. Do you think I'm lying?

Priya: She's lying right?

Leila: Really [laughs].

Robin: No way!

Leila: Yeah it is [laughs].

Robin: That's incredible.

Priya: And I stand by what I said.

Leila: Yeah I know [laughs]

Priya: Make your own tea.

Robin: That's so interesting Priya because you're like 'I stand by it' and I stand by it and I'm like 'I'm so sorry Leila, you're so in the right' [laughs] Instantly sort of going back on myself.

Priya: Mm-mm [laughs].

Leila: But she does everything else [laughs]. I love making mischief, I've made some mischief and that makes me happy.

Priya: I completely stand by what I said, make your own tea.

Here to Judge- Horrible Manipulator

- Leila: Yeah don't do a biased, what do you actually think? Because like if that's your thing that you do, like I do lots of other things.
- Priya: Does she do the cooking?
- Leila: Yeah, well no. Actually that's split, that's really split.
- Priya: You said yeah at first.
- Leila: [Sighs] We order Deliveroo for every fucking meal OK? There I said it. More or less [laughs].
- Robin: I'm just rereading this entire thing.
- Priya: I feel like tea is any time of day. So if you can just demand your partner make you a cup of tea at any time of day.
- Leila: Yeah it's bad. But that is what I do, that is what I do, I'll say 'Can I have a tea?' And she'll make it.
- Priya: You also have her bring in chairs.
- Leila: That is true. But I do other things. I do add value to this relationship I hope. Um in other ways for example, comedy.
- Priya: Sure.
- Robin: Sure.
- Leila: Using up the living room in the evening to record podcasts [laughs].
- Robin: Yes.
- Priya: Pulling up pieces of carpet.
- Leila: Pulling up pieces of carpet! [laughs]. Spaffing a whole deposit away because I want to do some redecorating.
- Robin: Yeah, yeah, yeah.

Here to Judge- Horrible Manipulator

Leila: OK maybe I am the asshole. But I'm starting to think that it's a deliberate thing. They've turned really bad, they are bad.

Robin: I just still can't get over that you tricked us.

Leila: Why?

Priya: You're the asshole for tricking us!

Leila: [Laughs] Why?

Robin: You're the asshole in a completely different reason.

Priya: For hoodwinking us.

Leila: I just thought it would be funny. I mean look JoSo was in on it the whole time and was fine with it and I said 'I'm not reading it out because...'

Robin: I mean we've joked about this for months and months.

Priya: Yeah [laughs].

Robin: Like oh this is me.

Leila: Yeah, yeah, yeah.

Robin: And it's such a good time to throw one of these in. Oh my goodness.

Leila: Yeah I just thought it would be good. But I'm glad I got an honest answer from you both. That's made me very happy.

Robin: Your partner is a saint.

Priya: Yeah she is. I need to check.

Leila: What do you need to check?

Priya: Was your end game for this to make your own judgement on your own Am I The Asshole?

Robin: [Laughs]

Here to Judge- Horrible Manipulator

- Leila: [Laughs] No, no, no, no. No.
- Priya: Because that is funkin' insane.
- Leila: [Laughs hysterically] I was going to reveal it in the end. I was going to reveal it to you both yeah.
- Priya: Oh OK.
- Leila: I promise, I wasn't just going to like sway you both and then play it to her and be like 'Hmm...
- Robin: Yeah lovely idea but you're just going to clip this one story out and play it to her going 'I'm in the right actually'.
- Priya: Am I listening to...
- Leila: [Laughs] Yeah horrible manipulator, no I swear to god I absolutely...
- Robin: This is an intervention, you tried to do an intervention to your partner on your podcast.
- Leila: [Laughs] Maybe. I mean what else are podcasts for guys? Come on? No OK that's fine.
- Robin: Oh my god.
- Leila: Anyway what is your final thought?
- Robin: I feel like I can't trust again. That's my final thought.
- Leila: No!
- Priya: None of the other stories, we won't give our actual opinions on them.
- Robin: Yeah. I killed a man. Oh yeah good one Priya! Thanks for emailing producer Jo this Priya.
- Leila: [Laughs] Well the next one is about butt rags apparently so we know who that is.

Here to Judge- Horrible Manipulator

- Robin: Yeah well it's completely ruined my surprise.
- Leila: [Laughs] Um, I want to know what you think, genuinely, am I the asshole?
- Priya: Make your own cups of tea, I said it very clear what I think.
- Robin: Yeah.
- Leila: Like literally I'm the asshole. Oh my god.
- Priya: Go and make a cup of tea for your partner right now.
- Leila: I know I absolutely should, that is exactly what I'll do after this now.
- Priya: Look she's gutted, she's absolutely gutted.
- Leila: I am actually devastated.
- Robin: Yeah I know you are!
- Leila: Can I come up with some sort of deal? Can I forge some sort of deal with JoSo that she reedits like all of our words to make it sound like you know, yes- you- should-be. Whatever like push it all together.
- Robin: What they should do is they should just change your voice like you're in the IRA and just doing one of those.
- Leila: [Laughs] Yeah, yeah, yeah.
- Robin: Just mask the entire thing. It's like why has Leila's voice changed?
- Leila: [Laughs] I can't wait for her to listen to this one. I feel like maybe she's stopped listening to them now I don't know.
- Priya: Well this is how you'll find out and then she'll have to submit one, 'Am I the asshole, I no longer listen to my partner's podcasts?'
- Leila: Oh no.

Here to Judge- Horrible Manipulator

Robin: Yeah, yeah, yeah. I mean that could be any of our partners.

Priya: That went all glitchy for me.

Leila: Is it me, am I glitching stuff?

Priya: Yeah.

Robin: You're back now, I think Kitty had just put the kettle on to make a cup of tea.

Leila: [Laughs]

Robin: [Laughs]

Leila: Stop. I'm genuinely devastated. That's ruined my night now.

Robin: I'm delighted that me and Priya were both straightaway, of course you're the asshole.

Leila: Yeah asshole, massive ass! Biggest cunt we've ever read!

Robin: [Laughs]

Priya: [Laughs]

Leila: Hope she dies.

Priya: Leave her!

Robin: We're usually so even handed with it, and just like 'Well I don't know, I can see, let's play devil's advocate'. It was like 'No!' [laughs].

Priya: [Laughs]

[Here to Judge- Interim Music]

Robin: 'Am I the asshole for not cleaning up my butt rags? I, 31, Robin...

Leila: [Laughs] Mock The Week star Robin.

Here to Judge- Horrible Manipulator

Robin: [Laughs] I was recently on Mock The Week and. OK 'Am I the asshole for not cleaning up my butt rags? As ludicrous as this sounds my wife is still out on a jog after shouting herself hoarse at me, and now that the kids are doing their online schooling in the basement I finally have time to write this and see if what I did really warranted being screamed at.

When I was growing up my mother was very particular about teaching us to clean properly down there. We were taught that after your done using the rag just toss it the corner of the shower, my mother would pick them up while doing the laundry. I understand that to some people this might seem a little strange, but it's just how things were in my house. My wife and I have been married for 11 years and she has known about this habit of mine since we were dating (I managed to hide it from her for the first few months but she kept asking why I never showered at her apartment, so I eventually confessed. The look on her face was absolutely priceless). I work 60 to 70 hours a week running my online business while she's a stay at home mum, so she does all the housework (minus dishes and taking out the trash, those are the chores she hates doing the most, so I do them for her). Lately she's been asking me to clean up my butt rags, that's what she calls them, because she's tired of having to deal with them.

I told her if she wants me to do laundry (which is also a daily task in our house instead of dishes) I can clean them up but if not, cleaning up the shower rags are part of laundry duties. This argument has been going on for weeks now and it all boiled over this morning after I took my shower. I came down from breakfast and my wife asked me if I'd cleaned up my butt rag. I told her if she was planning on doing the dishes after breakfast I would be more than happy to take care of the laundry today. We bickered back and forth for a few minutes and that's

Here to Judge- Horrible Manipulator

when our six-year-old daughter piped up with 'I'll clean up daddy's butt rags for you mummy'. I burst out laughing but my wife went ballistic. She told me I should be ashamed of myself thinking that this was funny and she got even more mad when I suggested our youngest is now old enough to start earning some money for doing chores anyway so why not? We pay our son to do yard work and my other daughter gets paid to clean the windows, so our youngest would eventually want to start earning her own allowance eventually right? My wife flat-out told me that under no circumstance will she allow our child to clean up my butt fifth, new term she invented just this morning, and then went out for a jog. She's been gone almost for an hour and I'm getting a little worried now because she's not responding to my texts. Am I the asshole?' Christ!

Priya: This one is bleak.

Robin: This one is sooo bleak.

Leila: Yeah this is like...

Robin: It's so layered.

Leila: I thought you said 'It's so Leila' this one's awful

Priya: Here we go.

Robin: [Laughs] Yeah. This is another one, this is another Leila!

Leila: [Laughs]

Robin: Am I the Leila?

Priya: Buy a bidet. Buy a bidet and fix your life. Why?

Leila: Buy a bidet and fix your life! Priya Hall titles.

Robin: Yeah. 'Hi! I'm Priya Hall!'

Leila: [Laughs] How many times have we recommended people use bidets on this show?

Here to Judge- Horrible Manipulator

Robin: At least a couple.

Priya: Every time an asshole is mentioned, a bidet is recommended.

Leila: Yeah that is very true.

Robin: It's a strange one isn't it? I mean it got way worse for me as soon as he was like 'Of course our youngest daughter can clean up my shit for money'.

Priya: Yeah.

Leila: Yeah that's, yeah.

Priya: The minute he was like 'Well my mum used to clean it up' I was like, oh no.

Leila: No, no. No.

Priya: It feels very icky and gendered who has to clean this man up.

Robin: Totally.

Priya: The fact that he does chores for his wife not does chores in the house.

Robin: Exactly.

Leila: Yeah but who makes the tea guys?

Priya: Well. He makes the tea but he handles the tea with his poopy hands so.

Leila: Ugh, no that's wrong isn't? You can't be fucking making your child wipe your ass. No, no, no, no, no.

Robin: Have these people not heard of like moist toilettes?

Priya: Yeah.

Leila: Yeah.

Here to Judge- Horrible Manipulator

- Priya: I understand wanting to clean but there are other ways to do it right?
- Leila: Just like have a shower, you don't even need a bidet. Just like hop in, hop out.
- Robin: Yeah he's already having a shower.
- Leila: Yeah exactly so what the fuck?
- Robin: And he's leaving his like ass rag in the corner of the shower whilst he's having a shower.
- Leila: No. This is horrific.
- Priya: Yeah.
- Robin: Also not to go into it properly but what are we thinking?
- Leila: No let's go into it properly, go on.
- Priya: Yeah let's get into it.
- Leila: Let's go fully into the sphincter of today.
- Robin: Is it like a wet flannel is what he's using?
- Priya: I'm thinking yeah it must be a new flannel every time that he just throws in the corner of the shower and maybe they pile up. So they have like a pile of butt rags.
- Robin: Ugh!
- Priya: Because that's what I understood.
- Robin: What?!
- Priya: Every time they use one they throw it in the shower and mummy will pick it up.
- Robin: But it's a laundry thing, so these are reusable. So they're getting washed.
- Priya: Yeah.

Here to Judge- Horrible Manipulator

- Robin: If it's a laundry task then he has like seven butt rags.
- Leila: Or he's one of those people that like, I do this with flannels, not for my bumby, but for my face.
- Robin: Bumby! Bumby. Hello Bumby!
- Leila: This is another thing that we recently met someone via moving houses, a tradesman and bleep his first name his name is [bleep] Bumby. And me and Kitty just think it's the funniest thing we've ever heard, his name is Mr Bumby. Mr Bumby.
- Robin: Mr Bumby is very funny.
- Leila: So yes but now we just say bumby for bum because it's fun.
- Robin: Yeah calling your asshole Mr Bumby is very funny.
- Leila: Yeah Mr Bumby.
- Priya: [Laughs] 100% onboard with that.
- Robin: Yeah, yeah, yeah. I mean this guy is obviously the dirty asshole in the story right?
- Priya: He's awful.
- Robin: Because I'm sure we're throwing a lot of stuff at him that he hasn't talked about but it seems like he has a problem with women and a problem with responsibility as a father. And it's just a bit of a gross man child.
- Priya: It also seems like he's very willing and ready to project that onto his children from the age of six.
- Leila: Yeah, yeah, yeah.
- Robin: Imagine being like the butt rag? Yeah sure if you were taught something sure, but if then you were told 'Look not everyone does this' and his wife is clearly very understanding about this.
