[Here to Judge Theme Song]

Robin: Welcome to Here to Judge where we scour the internet to dissect dilemmas and decide who's to blame. Here to Judge today is me, Robin Morgan.

Leila: Me, Leila Navabi.

Priya: And me, Priya Hall.

'Am I the asshole for not apologising when my husband dipped his balls in my poop water?'

Robin: [Groans]

Priya: Oh no.

Robin: Nooooo.

Priya: 'This all happened last night around 1am. I had just finished nursing our baby and was getting ready for bed. My husband was finishing up some work and was doing the same. Our master bathroom has a separate room for the toilet so after I peed, I was brushing my teeth when my husband walked in. He proceeds to sit on the toilet to poop and immediately starts screaming and jumps up. Apparently the toilet had backed up to the brim and when he sat down his balls dipped into the poop filled bowl. He jumps up and starts stripping down yelling the whole time. I'm actually about to die laughing so hard with a toothbrush in my mouth. But I rally and get to work plunging the toilet as he continues to yell. I apologised by saying 'I'm so sorry that this happened to you! It's disgusting and this sucks!' Or something to that

Here to Judge- The Ball Dip

effect. Now our house has finicky toilets and we do get backups fairly frequently (once a week).' My god.

Leila: Fucking hell that is a lot.

Priya: It's too much. 'My husband always blames me, which may have some merit since I do use toilet paper for my all business while he only uses it for 50% of his. We have several bathrooms in our house and he typically uses a guest bathroom (his poop room)'.
'

Robin: Oh god.

Priya: That's a weird phrase.

Robin: That's so like 'the man cave' it has that energy doesn't it?

Leila: Yeah his bachelor poo pad yeah.

Priya: His doom poop room.

Robin: His bachelor pooped.

Priya: 'So the times where he has to deal with a backup allegedly caused by me is rare. Last night he decided to forgo using his bathroom and used our bathroom which is where the problem (literally) arose. For additional context, I had last had a number 2 in the afternoon and had used the toilet several times before the ball dip and had no issues. So after a very long day he had to take a shower at 1am and was irritated with me. He felt that: 1) my apology was not sincere 2) I did not take ownership of being the cause of the backup and subsequent ball dip'
'

Robin: [Laughs] Subsequent...

Priya: 'And 3) I should have watched the toilet fully flush to make sure that all was well.

Robin: This is like a Judge Rinder with subsequent ball dip. It's like really legalese.

Here to Judge- The Ball Dip

Priya: Yeah it is [laughs]. A full bullet pointed list as well.

Robin: Yeah.

Priya: 'I feel that my apology was enough, I validated his feelings and I did genuinely feel bad that it happened. However, I consider this an act of God for which I am not responsible.'

Robin: [Laughs]

Priya: 'Additionally, I don't think it's my responsibility to monitor the toilet after I've used it. It's the next user's responsibility to look where they're sitting. So Reddit, am I the asshole for not apologizing for the ball dip and not monitoring the toilet post use?'

Robin: No this woman's a queen.

Priya: Yeah.

Leila: Yes absolutely. And also, I'm assuming these people are renting because anyone who is not renting is probably not on Reddit, they're too busy just like lying in a pool of their own money and stuff.

Priya: Sure, living their best life.

Leila: Yeah living their best life, they're not on Reddit. Like there's no indication here that they've asked their landlord to sort that out.

Priya: No.

Leila: They just decided that it's fine and that this happens once a week whereas it's just not. So it's not her fault it's the fault of the toilet [laughs].

Priya: Imagine living your life knowing that any time poop water is going to be flowing into your house. At least once a week, that's no way to live your life.

Leila: No.

Here to Judge- The Ball Dip

- Robin: Get it sorted. But equally this is the master bathroom, he's shitting when she's brushing her teeth.
- Priya: Yeah I mean there's no need of that, there's another room.
- Robin: [Groans]
- Leila: None of this makes any logistical sense [laughs].
- Priya: Yeah.
- Leila: He's off the rails.
- Robin: Yeah [laughs]
- Leila: What's the point in having like your own little poo hole?
- Robin: Like your long drop.
- Leila: This doesn't make any sense to me.
- Robin: That's a massive power play isn't it?
- Priya: Yeah.
- Leila: Yeah it really is.
- Priya: I find it so weird that she's just accepting responsibility for most of the plumbing issues here. Because of her toilet paper usage. There's no way you're using that much toilet paper that it's breaking a good plumbing system once a week. Back yourself love. It's not your fault.
- Leila: And she's acting like she has a choice as well.
- Priya: Yeah [laughs]
- Leila: She's like he only uses it 50% of the time whereas I use it 100% of the time, it's like, she's not going to be walking around with like a wet fanny is she? Just like.
- Robin: Yeah she can't just like shake and vac, do you know what I mean? [laughs]

Here to Judge- The Ball Dip

- Leila: Yeah. I mean we've all done it in very desperate times.
- Robin: Reading Festival, V Festival, Glastonbury Festival.
- Priya: Yeah. It never feels good either, you wouldn't want to live your life like that would you?
- Leila: No.
- Priya: The shame of it.
- Robin: The constantly shaking.
- Priya: No [disgusted].
- Leila: Yeah not ideal but like maybe reconsider this relationship.
- Priya: Yeah.
- Leila: If you're feeling guilty about using toilet paper.
- Robin: I just love the idea that like this dude is screaming and she is just pissing herself laughing at 1am whilst having a newborn, they're trying to keep the volume down to keep this kid asleep but she is losing her mind how funny this is, I really respect that.
- Leila: Right that's amazing that she's got a sense of humour and finds it funny because I'd be fuming if I were her.
- Robin: Shut the fuck up!
- Priya: [Laughs]
- Leila: Yeah exactly, I'd be cleaning my teeth and be like 'What are you doing? Just go and use your poo room. Why are you here anyway? Your balls are too long. Goodbye'.
- Priya: Like you claimed that room when we were doing the viewing as your poop room. You've made your bed now shit in it.

Here to Judge- The Ball Dip

- Robin: Maybe use some toilet paper 75% of the time on your poopy balls. This is the time to...
- Leila: Oh yeah. Ugh. I find the male anatomy fascinating.
- Robin: When Priya said that he only uses it 50% of the time, you on the Zoom call looked so repulsed and I really, really enjoyed...
- Leila: Yeah but then I realised. Did you see that?
- Robin: Yeah, yeah, yeah it was great.
- Leila: And then I went oh yeah of course because it's like a little hose isn't it? But I don't have any, I mean I don't know should people with willies wipe their willies when they have a wee or?
- Priya: I feel like yeah. No?
- Robin: It's sometimes for me. I don't know what the...
- Leila: Like how much? Like how does that work? I want to know the...
- Priya: Like half a roll, like a bandage but you move on I assume.
- Robin: You use the roll.
- Leila: Is that what the hole in the toilet role is for?
- Robin: Yeah you pop it on and you swizzle it around.
- Leila: [Laughs] Yeah.
- Robin: And you see what catches to the end and then you go, 'Well it's clean'.
- Leila: I find that really interesting.
- Priya: It implies he's pissing an equal amount to shitting. And I feel like he should be peeing more than shitting. Right?
- Robin: [Laughs] Ummm?

Here to Judge- The Ball Dip

Priya: In terms of numbers a day.

Robin: Yeah, yeah, yeah.

Leila: I have no idea at all. I found it odd to me that he never wiped his willy when he needed a wee. This whole story doesn't make any logistical sense.

Robin: Yeah. I mean I've never had the issue of water touching my balls. But I think you are right though Leila in the sense that he sounds like he has too long balls.

Priya: Yes, yeah.

Leila: Have you been to America?

Priya: Yeah their water is high.

Leila: For some reason.

Priya: Why?

Robin: You know they sell flushing toilets that when apparently you stand up it has the sensor behind you and it flushes straightaway. I have actually been pooing on one of those before in a service station and then sort of caught myself moving. And it is flushed and the flush has attacked me.

Priya: Sure.

Robin: That's not pleasant. But I haven't screamed until my wife sorts it out.

Priya: [Laughs]

Leila: Again in America it was a similar situation where you stand up and it does that.

Robin: Yeah.

Leila: And it splashed upon me and I do not possess testes.

Robin: Sure.

Here to Judge- The Ball Dip

- Leila: And so regardless like it could have, do you know what I mean? Like if it's that high anyway.
- Robin: Oh yeah the pressure.
- Leila: Like how low down are the balls?
- Priya: But the toilet has backed up so the water has risen right to the top is my understanding.
- Leila: Right and there's poo in the water.
- Priya: So she didn't do a poo but the water that's come back is poopy water.
- Robin: Sure.
- Leila: Oh but that could be from anyone. Right?
- Priya: Yeah it could.
- Robin: Yeah.
- Priya: Yeah oh god that's worse isn't it?
- Leila: Well it could have been from like...
- Robin: A neighbour.
- Leila: It could have been from anyone in your, I mean if they're flats.
- Priya: Yeah.
- Robin: Yeah if they're that bad, if the plumbing is that bad then yeah.
- Priya: I think not the asshole, I think this is a classic Reddit you need to leave your partner.
- Leila: Yes.
- Robin: Yeah, yeah, yeah.
- Leila: We should have a jingle for leave your partner?

Here to Judge- The Ball Dip

Robin: Mm-hmm.

Priya: [Sings] It's time to leave your partner. Bam.

Leila: There you are [laughs].

Robin: I thought it would be like to the tune of Call Your Girlfriend by Robyn [sings] Leave your partnerrrr.

Leila: Yeah, yeah.

Robin: That would be good.

Leila: Yeah, yeah, yeah.

Priya: [Music] [Singing] It's time to leave your partner. Bam.

Robin: [Music] [Singing] Leave your partnerrrr.

[Here to Judge- Interim Music]

Leila: Oh Priya what's that that fell on your head?

Priya: Oh Christ! Jesus! Oh it's a giant postbag um? Oh and there's a...

Leila: Is that Kiri Pritchard-McLean in it?

Priya: It's a whole Kiri Pritchard-McLean in the postbag.

Leila: Oh hi Kiri, yeah.

Priya: At that point, is it a postbag or is it a body bag?

Leila: [Laughs]

Priya: Kiri Pritchard-McLean.

Robin: I'm also here.

Priya: [Laughs]

Leila: Yeah [laughs] Tell us a story Kiri go on, give it to us.

Kiri: Hi guys, I hope you're all well. A long time listener, first time reader. Uh this is from Am I The Asshole on Reddit.

Here to Judge- The Ball Dip

So 'Am I the asshole for honking at another driver who cut in front of me at a drive-thru each time she tries to order?' [laughs] Incredible. Um yeah obviously, anyway, right. 'This line at Starbucks I went to was really long. I was in line for a good maybe 20 minutes until this lady in a Mercedes' interesting, I've got more information [laughs] I'm not sure now. 'Until this lady in a Mercedes tries to cut in front of me and like eight others behind me. I laid on the horn and tried to block her from cutting me but she succeeded anyway and flipped me off' [draws breath shocked]. 'OK I'm the type of person who will not let someone get away with shit like this'. Yessss. 'So I wait until she pulls up and as soon as she tries to order, I honk. She then looks at me with a dirty look and gives me the finger which I already had a little finger of my own ready for her'. Yessss. Oh god I can't believe I've gone on such a 180 with this. 'Each time she makes an attempt to order something I honk and sometimes lay on the horn for three seconds. We stopped as soon as she drove off. We then ordered and went out our day. I just can't...' Mm? It says 'I just can't people who are extremely rude like that lady and I simply couldn't let this go' but I'll try it with, I'm going to make a slight correction, am I the asshole for correcting other people's grammar? 'I just can't with people who are extremely rude like that lady and I couldn't simply let this go. Am I the asshole for this?' That was incredible wasn't it? It really took us one way and went the other. Um good luck with this one guys.

Robin: And then went back the other way when it turned into a grammar thing as well.

Leila: Yeah it did.

Robin: I hate her, I'm fully onboard, but actually she missed out these two words so.

Here to Judge- The Ball Dip

- Priya: Before we get into the actual story, I just want to say, not the asshole for correcting grammar. We edit so many of these because the grammar is absolute chaos.
- Leila: Oh stop yeah. If anyone's listening to this and it's like wow, they're just such brilliant readers.
- Robin: We are.
- Leila: Like if anyone listens to this and thinks, maybe we should hire those three to read our audio book.
- Robin: There will definitely be a novel written in that style. One day.
- Priya: With the little interjections from us?
- Robin: Yeah.
- Leila: Yeah. Anyone? Yeah.
- Priya: Written into it.
- Robin: Yeah exactly. What do we think?
- Leila: Am I the asshole for beeping at someone?
- Robin: Honking a rude lady.
- Priya: Beeping every time she tries to order because she cut in, in front of you.
- Robin: It's very funny.
- Leila: Um? Yeah probably, probably a little bit. Although Mercedes.
- Priya: Yeah. You wouldn't wanna let her get away with it and as revenge goes I mean it's better than violence.
- Leila: That's true.
- Robin: Yeah.
- Leila: Do you get road rage you two?

Here to Judge- The Ball Dip

Priya: No.

Robin: Yeah.

Leila: Yeah.

Priya: I'm usually the one causing other people's road rage.

Robin: Are you a bad driver?

Priya: Yeah. Yeah.

Robin: Are you?

Priya: Leroy wouldn't literally [laughs] I offered him a lift the other day and he was like 'Cool but aside I've been the car with you going down the M4 from Swansea once and I'll never do that again'. And I was like 'Yeah that's completely fair, that's fair'.

Robin: What do you do?

Priya: My boyfriend describes me as a very sudden driver.

Robin: [Laughs]

Priya: As in I make decisions very quickly.

Leila: I know exactly what you mean.

Priya: Yeah without much thought going into them. That being said, I've never, I was going to say I've never written off a car, that's not true. But...

Robin: [Laughs]

Priya: I've never hurt anyone.

Leila: Have you got points on your licence?

Priya: No.

Robin: That's good.

Leila: I have not either.

Here to Judge- The Ball Dip

- Priya: I've had to do a speeding awareness course and it was the most fun thing.
- Robin: Did you have to do it IRL because they're happening on Zoom now aren't they?
- Priya: No I did a Zoom one and there was an old man on it and he was my favourite man in the world.
- Robin: How was Zoom one?
- Priya: He was so confidently wrong.
- Robin: There's rumours that during those speed awareness courses that there is always an old person on there who is very bolshie and confident to make everybody else relax. Like a sort of (prices?) actor.
- Priya: Yeah.
- Robin: Like you know one of those like a false flag type actor.
- Leila: Yeah, yeah, yeah, yeah.
- Robin: Because I did a speed awareness course and there was a little old lady who was just like 'Am I in the wrong room?' And then she was like 'See you later, what was it 60?' And just was being really like sassy.
- Leila: I love that.
- Robin: There's rumours that apparently there are elderly people who are hired when they're finished on Publicom to be in speed awareness courses.
- Leila: I can't do prosthetics, in fact I don't need them anymore.
- Robin: Yeah, yeah, yeah.
- Leila: I'll happily be that person.
- Robin: I'd love it if you had to go into a speed awareness course and act as an old lady without prosthetics but be like

Here to Judge- The Ball Dip

'Hello dear' it's like quite clearly someone in their very early 20s.

Leila: [Laughs] I'd be like, 'God has nobody seen my monocle?' Fully going for it. And it would be like, don't worry she's just like this.

Robin: Yeah she's mad.

Leila: A man stopped me. I'd stalled a traffic light which I think everyone has done in their lifetime...

Priya: Yeah.

Robin: Yeah.

Leila: ...and that's fine. And so I was just Beep, Beep, Beep, Beep, Beep at me like that. And I was getting very irritated, anyway and then the light went red. And so he came up behind me and pulled next to me because he just wanted to have a go at me. And he opened his window and I opened my window and I went 'Have you never stalled before sir?'

Priya: [Laughs]

Robin: Amazing.

Leila: And he went 'Well I thought you were just on your phone'. Can I just clarify, I'm not, I would never be on my phone when I'm driving, ever, I think it's a very bad thing to do. And that sounds sarcastic but it's not, I feel very strongly about this. And they were like [irritated sounds] I was like 'Are you just harassing young women on the road now are you sir?' And he was like 'No I am not!' I was like 'Well I think that's what this is, maybe you should learn some manners' [laughs] Is what I said to him.

Priya: Very nice.

Robin: Nice.

Here to Judge- The Ball Dip

Leila: Ask Kitty, this is genuinely what came out of my mouth. He said 'I have manners!' I said 'OK well I'm going to go' and then the light went and it was green, so I continued on my way past him and he beeped me, beeped me again. And then in a roundabout way he basically ended up having to come up right behind me then in a different road.

Robin: Nooo.

Leila: Because he'd gone the wrong way just to prove a point to me and he was behind me. And so we were in a 20 mile per hour zone, he'd come like full pelt, 35.

Robin: Yeah.

Leila: And I just drove really slowly down this road.

Robin: It's the best thing.

Leila: Maybe 14? I put my Girls Aloud CD obviously.

Priya: Nice.

Leila: Turned that up. [Sings] Everything he wants better than everything ordinary. Remember that song? And I was just driving to it very slowly all the way down my road. And that was that and you have to deal with me.

Robin: That's beautiful. That's great.

Leila: Being a young woman on the road is quite horrible.

Priya: Yeah. Driving a van as a young woman on the road is the most empowering feeling. It's what it feels like to be a white man. And I...

Leila: Do you drive a van?

Priya: Well, so when we've moved flats before, so I'm the driver. And we've rented vans and I've never felt more powerful.

Leila: Really?

Here to Judge- The Ball Dip

- Priya: I've never enjoyed being on the road more than in a van.
- Robin: You're very high up aren't you? You're like on top of the road.
- Priya: Yeah and people just treat you with respect. And other van drivers will go to like let me out and then realise it's me driving and you can see the look, like obviously it's a podcast so I can't show you the look but the look is always 'Oh, oh OK all right'.
- Leila: Fair play. God.
- Robin: That's so funny.
- Priya: It's the greatest feeling.
- Leila: Do you beep your horn at people to be, I mean like yes, for legal like for I'm going to be in your way or you're on your phone and that's bad. But like in terms of like just being irritated would you ever beep your horn at someone.
- Robin: Oh god no.
- Leila: No I wouldn't.
- Robin: Unless they've done something, there's a roundabout where I live where people, and I sound like such a fucking dad, people consistently go in the wrong lanes and use the wrong exits. So if someone does that close to my car I will beep them but that's only because usually I've got my kids in the car and don't want us all to die.
- Priya: Yeah.
- Leila: Yeah.
- Priya: It's an I'm here, please be aware of my presence.
- Robin: Yeah, yeah, yeah for sure.
- Leila: I always think that those stickers that people put on the back of their car are a bit nuts though.

Here to Judge- The Ball Dip

- Priya: Oh it's if you're in a car crash, they know to prioritise cars with kids in them.
- Leila: Oh is it?
- Priya: Yeah because kids can't get themselves out.
- Leila: Oh well maybe I was being a dick then.
- Robin: Is it?
- Leila: I thought it tell someone to drive more carefully because there was a kid in your car. And I do think that if someone is going to drive dangerously around you they don't care.
- Priya: No.
- Robin: Yeah that's what I thought it was.
- Priya: It's so emergency services know to find the babies and get them out of their car seats.
- Leila: Wow.
- Robin: That makes a lot more sense. There was one that I think became quite popular a few years ago, I think it was from Mothercare, like we saw it when our daughter was born. And it was like a white background with like nice little cute curly writing. But from afar it looked very much like the ISIS flag and just similar kind of vibes.
- Priya: [Laughs]
- Robin: And I was like, is this fucking ISIS? What?! The balls on that person [laughs].
- Leila: I love that.
- Robin: To fly the ISIS flag on the M4.
- Priya: They need it for if there's an accident, people know to prioritise.

Here to Judge- The Ball Dip

- Robin: Yeah, yeah, yeah. To not prioritise the terrorists. Sure [laughs].
- Leila: So good, yeah.
- Priya: That's why you get 'Twins on Board' instead of just 'Baby on Board' so they know to look for two.
- Leila: Really?
- Robin: God that's so bleak though that emergency services would go, we'll leave the baby.
- Leila: What if it was like 'Leila's iPhone on Board'
- Robin: Yeah, yeah, yeah.
- Leila: If I that got lost...
- Priya: Well the iPhone can't get itself out of the car so yeah that makes perfect sense.
- Leila: Yeah because someone needs to find it so that's why I'm going to have in on the.
- Robin: I'm on a 299 day Duolingo streak, I need you to find...
- Leila: Yeah 'Very Important Comedian on Board'
- Priya: 'Leave Me, Take the Phone'.
- Robin: Yeah [laughs]
- Priya: 'Feeding the Duolingo owl'.
- Leila: The future of comedy is in this car.
- Robin: They're literally Tamagotchis at this point aren't they? It's absolutely insane.
- Leila: Yeah. Yeah, yeah, yeah for sure.
- Robin: We are literally slaves to Tamagotchis.
- Leila: We are. Um?

Here to Judge- The Ball Dip

- Robin: I think this lady's fine. I think that's a good level of uh passive aggression. I think I'm fine with it.
- Leila: Every single time?
- Priya: I think it's an asshole move in response to an even more asshole move and in that case, I think it's fine.
- Leila: Mm.
- Priya: As a petty person, I think that's fine.
- Robin: Bwah.
- Priya: Speaking on behalf of the petty community.
- Leila: I just think that like that would stress me. I'd become stressed more. Like sometimes you've just got to let stuff go is what I've been learning.
- Priya: Yeah. That's the healthy response, sure. That's not the attitude I'm bringing to this situation so.
- Leila: Yeah, yeah, fair, fair, fair. And I think it absolutely depends what mood I'm in to be honest with you.
- Priya: [Laughs]
- Leila: Um?
- Robin: Not an asshole.
- Priya: Not an asshole.
- [Here to Judge- Interim Music]
- Robin: We're off to Gransnet and this poster is called Granny Wonder. 'Am I being unreasonable for not wanting to wear matching outfits? My youngest son is getting married later this year. I've been really looking forward to a lovely family do as there's been some ill health in the family' classic nana bringing up ill health 'the past couple of years. I sorted out a lovely frock and was just looking for shoes when I got an email from the bride-to-be. She

Here to Judge- The Ball Dip

sent me a link to the dress she'd like me and her mother to wear. This is odd yes?'

Leila: Oh no.

Robin: 'It's a hideous colour (on me anyway) and looks quite snug and I really don't have the figure to pull that off. I really don't want to be all matchy-matchy with the mother-of-the-bride. How do I tell her, nicely of course, that this isn't for me? She cc'd her mum in and they've been emailing back and forth raving over the wonderful dress and how lovely we're all going to look. It's her wedding I know but on top of it all my ex husband will be there and I really don't want to look like a very dowdy sac of pastel. Help!' She sounds wicked.

Leila: Oh no!

Priya: Imagine trying to put all of the old people you know in a uniform just to keep track of them.

Robin: Yeah, yeah, yeah, where are the oldies? Where are the nans? Where are the nans?

Leila: There's a definite thing of like the mothers of like the bride and groom or groom and groom or whatever, do you know what I mean? There is a definite like.

Robin: Contest.

Leila: There's always a thing. Yeah. That's the biggest like fight isn't it? It's like who's the better one? Who's the better mum-in-law? I feel like that's a vibe.

Robin: Like a challenge. I don't know there's always like I don't know in a very sort of traditional way it's like 'Oh no woman will be good enough for my son'. That kind of bullshit you know.

Leila: Yeah.

Here to Judge- The Ball Dip

- Robin: And then on the other side it's like, no boy will be good enough for my little girl. Like that sort of series of memes you get from America of like people taking girls out to prom and their dad waiting there with like a gun.
- Leila: Aww I hate it!
- Robin: It's so bad.
- Leila: Yeah.
- Priya: Sooo creepy.
- Leila: Very weird.
- Robin: It's the reverse of when dads go viral for managing to braid their daughters hair and everyone goes [clap, clap] Yes. Well. Done.
- Leila: Have you seen that one where they have like a leaf blower.
- Robin: Yeah, yeah, yeah.
- Leila: Have you seen that? A million times and they're like put it in a ponytail with a leaf blower. Fuckin' hell.
- Priya: That seems like a good way to scalp your kid.
- Robin: Yeah, yeah, yeah.
- Leila: Yeah it does yeah.
- Robin: Yeah I'd want to see the bloopers of that video. All the other people just awfully bruised and then.
- Priya: She one of triplets but the other two are not doing so good.
- Robin: Yeah exactly. The one 'You're going to be a star kid'.
- Priya: [Laughs]

Here to Judge- The Ball Dip

Robin: I don't think granny is being unreasonable. She's lived a life. As long as she didn't fight for the Nazis I think she deserves to wear whatever she wants.

Leila: Yeah.

Priya: She'd already bought a nice frock as well.

Robin: That's a big deal you know?

Leila: Yeah.

Robin: That's really like being excited it, it's sweet. Also she knows about cc'ing, quite cool.

Leila: Is this the mother of the groom?

Robin: Um I believe so yes. Yes it is yeah.

Priya: Yeah mother of the groom.

Leila: She should tell the groom to tell the bride 'No'.

Robin: Yeah.

Priya: Yeah.

Leila: It shouldn't be on her to like be like um I don't want to do this you know? It should be like...

Priya: Because it will be a whole thing wouldn't it?

Robin: Yeah.

Leila: Yeah he could be like 'Actually no I think because you both of you have such individual styles why don't you? You could do it in a diplomatic way.

Robin: Also, I reckon the bride should have asked the son, 'Oh do you think your mum would mind if I emailed her this thing? You know that's just like that's a bit, I don't really like the term but Bridezilla-y it's that kind of I'm in charge it's my day as opposed to your day, both of your days.

Leila: Yeah.

Here to Judge- The Ball Dip

Priya: Yeah for sure.

Robin: I think this granny is not being unreasonable.

Leila: I agree.

Robin: And I do love the fact that she said that she was cc'd into an email, I don't know whether that's ageist of me to be impressed by that but I like that a lot.

Priya: My nan wouldn't know where to begin with cc. Wouldn't know where to begin.

Robin: Would she be replying all.

Priya: Also she'd punch anyone who tried to dress her so.

Robin: [Laughs]

Leila: Too bloody right I say.

Robin: Good. Yeah. I think she's not being unreasonable and I hope her younger son gets divorced.

Leila: I agree.

Priya: [Laughs] Sure. So they're not even married yet, you're hoping the wedding goes ahead with matching outfits, resentment builds among the families.

Robin: I don't even think it builds.

Priya: And the marriage becomes unsustainable. Messy divorce.

Leila: I think they should elope.

Robin: Oh eloping is good.

Priya: OK. Oh she doesn't even get to go to her son's wedding then?

Leila: No.

Robin: Just with her though.

Leila: None of them do.

Robin: Get like a twin room.

Priya: OK elope with your mum.

Leila: Yeah she's allowed to come.

Robin: Yeah get the honeymoon suite but get like an adult travel cot in the corner where nanny can sleep.

Priya: [Laughs] No that's where the bride goes. Nanny shares the bed with her son.

Robin: Yeah, yeah, yeah. In matching PJs because they love matching clothes [laughs].

Priya: [Laughs]

Leila: Good.

Priya: I think she's not unreasonable.

Leila: Yes I agree.
