[Here to Judge Theme Song]

Priya: Welcome to Here to Judge where we scour the internet to dissect dilemmas and decide who's to blame. Here to Judge today is me, Priya Hall.

Robin: Me, Robin Morgan.

Leila: And me, Leila Navabi.

Robin: 'Am I the asshole for loudly saying 'Oh fuck!' in a movie theatre. Yesterday I went to see a movie with a couple friends. The movie ended up having an incredible twist. I'm not gonna say the name because revealing that a movie has a huge twist can be a spoiler in itself (the twist is more predictable when you know there's a twist). When the twist happened, I was completely mind blown and shocked. Without even realising what I was doing, I instinctively let out a rather loud 'Oh fuck!' It wasn't like I shouted, but it was loud enough for people around me to hear. After the movie, a middle aged man walked up to me and told me I was rude. He said that talking during a movie is disruptive and I shouldn't be swearing in public like that, because now his son knows a new swear word. His son looked like he was around ten, so I think he was being honest. I'm non-confrontational so I just said sorry and left. But I feel like he was out of line. The movie was rated R, so his son could easily have heard swears in the movie. Why did he bring a kid to an R-rated movie if he didn't want him to know swears? Also, I wasn't the only one who reacted to the big twist. I didn't hear anyone else say 'fuck', but people did say things like 'ooohhh' and 'Jesus Christ!' It's not like I disrupted a quiet theatre. I feel like he was being dramatic by confronting me about

Here to Judge-Episode 40- Fill Your Ballsack With Lavender

it. But maybe it was rude of me to loudly say 'oh fuck'.
Am I the asshole?'

Leila: Wow.

Robin: It's quite a sweet one.

Priya: I really like 'Jesus Christ' in response to something in a film.

Leila: Yeah I do.

Robin: Yeah, yeah, yeah.

Leila: I like that 'ooohhh'. It's also in the same category as like blasphemy to this guy, I enjoy that.

Robin: I mean I'd enjoy it if they were watching Passion of the Christ and someone was shouting 'Jesus Christ'.

Leila: Yeah [laughs].

Robin: Like 'That's Jesus Christ!'

Priya: Wait a second, I've just twigged!

Leila: [Laughs] The Resurrection is like wow! Yeah.

Robin: Oh my God!

Priya: It's back!

Robin: 'It's' back [laughs].

Leila: It's back [laughs].

Priya: I'm all for making sounds in movie theatres.

Leila: Oh it depends, if it's constant, there's some people that go to the cinema with the sole aim of like being the centre of attention. Have you had that?

Robin: Really?

Leila: Oh yeah.

Here to Judge-Episode 40- Fill Your Ballsack With Lavender

Robin: I haven't been in ages. Like I've been to the cinema with my kids and that's just screaming of children.

Leila: Yeah that's different.

Robin: That's a different vibe where you basically have to go like 'Shhh, you whisper in the cinema' and then a ten-year-old like shitting his pants.

Priya: Shouts 'Oh fuck'.

Robin: Yeah, yeah, yeah, Jesus Christ! OK so centre of attention in what way?

Leila: Like they'll go like, so, I hate this and people do it in the theatre as well and at comedy gigs, they do it in all these places where you're meant to be an audience right where they'll do one thing that's probably by accident and they go 'Oh yeah' so they agree you know. And everyone will be like 'Oh what?' And then they'll get addicted to that high.

Priya: Sure.

Robin: Yeah it's audience members getting increasingly more confident based on the initial reaction to it.

Leila: Yeah. I mean fine once, I honestly think fine once.

Robin: Yeah.

Priya: Yeah it's like you said, when they get addicted to the attention that's dangerous territory as we all know.

Leila: So that's why you can't be complicit you know? If someone in the cinema does a loud noise I think you have to in the interest of like the rest of the film/whatever, go 'Shhh!'

Robin: Sure [Laughs]

Priya: [Laughs]

Here to Judge-Episode 40- Fill Your Ballsack With Lavender

- Leila: You have to do that to like keep 'em on their toes.
- Robin: Mm-hmm.
- Leila: To like hit them with that shame across the face and then it's like they won't do it again.
- Priya: We can't ever go and see a film together. That can never be allowed to happen.
- Leila: No I hate that.
- Priya: You'd get so annoyed by me.
- Leila: Oh I would...
- Robin: Are you really bad?
- Priya: I'm not like, I'm not that, I don't talk through but say if I'm crying in a cinema, I'm fully crying in a cinema.
- Leila: Oh that's different as well. That's different if it's like a really cry-y film like crying you can't help.
- Priya: Yeah sure.
- Leila: I mean when people react. Like especially if it's like a comedy and they're like 'Bloody brilliant!' You're like shut up. Yeah that's what I mean.
- Priya: Have you ever been to a cinema in the valleys?
- Leila: Uh? Yes.
- Priya: Completely different vibe innit?
- Leila: Yeah that's different.
- Robin: Would you class Nantgarw as the valleys?
- Priya: Uh yeah, I used to work in that cinema.
- Leila: Did you?
- Priya: Yeah.

Here to Judge-Episode 40- Fill Your Ballsack With Lavender

Robin: Uh that's where I go with my son.

Priya: Aww cute.

Robin: But it's like the 11am showing of The Gruffalo's Child.

Leila: Oh boy.

Robin: And I'm there just like 'Jesus Christ!'

Priya: [Laughs]

Robin: He's got a child now?

Leila: Where were we? Oh yeah shouting out at the cinema. I think in terms of saying 'Fuck' in front of a child I always feel bad.

Robin: Mm.

Priya: So I was with you up until this point but a R-rated film is an 18 right?

Leila: Is it?

Robin: Yeah.

Priya: So if there's a child in there that's the parent's fault and they're going to hear some fucks.

Leila: Yeah that's ridiculous yeah, yeah, no I agree.

Robin: Yeah totally.

Leila: Is R-rated an 18?

Priya: I think so.

Robin: I think so yeah because I think...

Leila: Yeah if you're in that environment then fine, you can't just be like, oh if this child hears? I think that's ridiculous.

Priya: How did the child get in?

Here to Judge-Episode 40- Fill Your Ballsack With Lavender

Leila: Yeah.

Priya: That's what we should be asking.

Robin: Do you remember how scared you used to be bringing your own snacks in?

Leila: Yes.

Robin: I remember being petrified. Petrified.

Leila: I don't think they check anymore. They don't check anymore.

Robin: But you are allowed.

Priya: Anything that's not hot that the rule in Showcase, that's what we used to say.

Robin: Oh really?

Priya: Yeah so people would be hiding their Haribos and I would be like 'Look, look me in the eye'.

Robin: Yeah [laughs].

Priya: 'I do not give a shit about your Haribos. I do not give a shit. Get out of my face'.

Leila: But hot food because it's in like a?

Priya: Because it smells. Do you know what? The amount of Chinese takeaways I had to confiscate off people. The amount.

Leila: Aww Priya!

Robin: No way.

Priya: And also people were really good at sneaking them in, so I would go into clean afterwards and there would just be like sweet and sour chicken all over the floor of the cinema and I'd have to clean it up.

Here to Judge-Episode 40- Fill Your Ballsack With Lavender

Leila: Aww.

Robin: That is gross.

Leila: That's gross.

Priya: Rank. Twilight was a warzone. I worked there when the last Twilight came out and it was, I've never seen anything quite like it.

Leila: I'll tell you what I last saw at Showcase was they did Titanic, I can't remember, it was like an anniversary of Titanic coming out or something. And they put it on and my god, I was maybe like 14 and I'd never seen it before. And I went with all my gal pals from school who were all like 14. And they were just sobbing their way through it and I remember distinctly sitting there being like, I feel nothing. And just not realising. I don't know why still to this day, I'm like am I emotionally void? That like I just sat there in Titanic and was like this is a bit long now.

Priya: [Laughs]

Robin: Swearing is something that I feel like, I swear quite a lot on stage and off stage and I think my parents always did as well so it was never an issue. But I know some people that it's incredibly offensive to people isn't it?

Priya: Yeah.

Leila: But people are so offended.

Robin: That makes me always feel a little bit suspicious when people are sort of that worried about swearing.

Leila: Yeah.

Robin: When you think of actual bad behaviour you know?

Priya: Yeah.

Leila: Yeah.

Here to Judge-Episode 40- Fill Your Ballsack With Lavender

Priya: I had a friend who was such a dyed-in-the-wool angel that he put a self-imposed swearing ban on himself until the age of 18 and then he was allowed to swear.

Robin: How old was he when he did this?

Priya: Um? Well I've known him since I was 13. And he did not swear until age 18 [laughs].

Leila: So on his 18th birthday he was just like...

Priya: Just as the clock struck he was like 'Fuck, fuck, fuck!' No.

Leila: Really?

Robin: Bloody hell! [Laughs]

Leila: Robin I can't remember what you said, you're always a bit suspicious of people that are like that.

Robin: Totally!

Priya: Yeah.

Leila: I always think it's the people that hate swearing that are racists.

Robin: Totally. Totally.

Priya: They're trying to hold a lot in.

Leila: Yeah.

Priya: They're trying to conceal a lot.

Leila: Yeah.

Robin: If I start swearing everything will come out [laughs].

Leila: Yeah, yeah.

Robin: I don't think this guy's an asshole. I don't think swearing is an issue. I think that if you're in an R-rated movie and you say 'Fucking hell' at a twist. And also like he's not

Here to Judge-Episode 40- Fill Your Ballsack With Lavender

revealed the twist, he's not even revealed the movie, he seems like quite a sweet dude.

Priya: Yeah.

Robin: If it's a dude. I'm imagining it is, I don't know why.

Leila: Yeah I agree. I think it's fine.

Priya: I think one 'Oh fuck' is permitted in every social situation.

Robin: I did an open air gig on Friday in front of 1500 people, biggest gig I've ever done. And it was really fun and really nice and Jarred Christmas compered and to start the show, got the youngest person he could find in the crowd to say 'Come on everyone clap your fucking hands'. And it was this 12-year-old in front of her parents and stuff.

Leila: Oh my god.

Robin: And she went mad and the parents loved it. Obviously the crowd loved it.

Leila: Yeah.

Robin: And then the next section he was like 'We could go nuclear now, we could go like 'clap your mother fucking hands' and she looked at her parents and the parents nodded thinking this is going to like, but not after this contextually do this.

Leila: Yeah.

Robin: And then that was to bring me on. And I was like 'You know that Jarred can only go one way from here'.

Priya: [Laughs]

Leila: Yeah, yeah.

Robin: You know there's only one more word. I left, I don't know if she did it but you know I hope it happened.

Here to Judge-Episode 40- Fill Your Ballsack With Lavender

Leila: That's brilliant.

Priya: I hope she did it unprompted.

Robin: Yeah, yeah, yeah exactly. 'Come on you bunch of...

[Here to Judge- Interim Music]

[Promotion for Welcome to Spooktown]

[Here to Judge- Interim Music]

Priya: Oh it's me. Always the cat ones for Priya.

Leila: [Laughs]

Priya: 'Am I the buttface for emotionally manipulating my cat? When I got my cat he was a kitten and very snugly/needly which was adorable. Now he's two and seems to believe it's no longer "cool" in quotation marks to hang out with daddy. He ignores me all day, comes out of his cat castle twice a day to eat and use the bathroom but otherwise either stays in the cat castle or wanders the apartment ignoring me. I would never return him but I didn't get a cat just to be ignored and never interact with it. So lately I've been doing things to make him want to spend time with me. Sometimes I walk into the room he's in and say 'Oh my god, hi!!!'

Leila: [Laughs]

Priya: And then I run into the Ficus plant or something and start giving it attention to make him jealous.

Leila: [Laughs]

Priya: On the rare occasion that he does come over to me, I'll pretend not to see him and just turn on the TV. In the middle of the night when he doesn't want to sleep in my bed, sometimes I'll sleep in his bed just to mess with him.

Robin: Oh my god.

Here to Judge-Episode 40- Fill Your Ballsack With Lavender

Priya: And then when he comes over, pretending to sleepwalk back to my bed holding a can of beans or something as if it were my cat. My friends say this is wrong but I still feed and take care of him. I just refuse to play his games. I mean why have a cat if you're never going to pet it or be with it? Also my tactic appears to be working but does it make me the asshole?' Just completely abandoned the buttface there at the end.

Robin: Yeah, yeah, yeah, he got to into it. I love this. I love this a lot.

Leila: I think we should all be putting cats, you know as a very proud owner of a cat whom I adore, I think we should all be putting cats in their place a little bit.

Priya: Oh yeah. You get a cat like mine if you don't keep them humble. Completely in control of the house.

Leila: Yeah.

Robin: I think this is what the surprising thing of it is that I've never heard of a cat who is not the alpha in the relationship. Like this feels quite, yeah I quite like this.

Priya: This guy thinks he's the alpha but I imagine that cat is completely just nonplussed by his activities. The cat sees him in his bed, in the cat's bed just like OK that's fine.

Robin: I think it's fully aware of what its owner is doing, yeah, this is pathetic [laughs].

Priya: It's tragic.

Leila: Because cats are fucking so clever, do you know what I mean like?

Priya: Yeah. Also...

Leila: Yeah go on.

Here to Judge-Episode 40- Fill Your Ballsack With Lavender

Priya: He's gotten in his cat's bed which is tiny and now the cat has access to a human bed and doesn't have to deal with his human, the cat has won.

Leila: Yeah.

Robin: The cat's doing reverse psychology.

Priya: Yeah I do.

Robin: The Ficus plant thing and the tin of beans.

Leila: I've definitely done. I do like to chat with my cat. So you know being freelance work from home all the time, my girlfriend goes to work, just me and my cat. So I'll just be like 'Oh my god babe'.

Robin: Meow.

Leila: Yeah, yeah and he thinks I'm a great cat. Because I was away last week he apparently got very angry with my girlfriend. And this is what he does with me every day, whenever she goes to work he thinks that I banished her.

Robin: Sure.

Leila: So he'll hate me but he'll fucking think 'Why have you got rid of her? We all had a lovely time as a family and now you've sent her away'. But I think this weekend is the first time he'd had like, oh. And he was so angry at my girlfriend and started carrying all my clothes around the house.

Priya: Aww.

Robin: Oh my god.

Leila: So when I came into the house, no shit, like open the door like across the hall was my joggers, anything I'd worn over the last week he'd like, and he was like sitting in it like this, like 'I've been waiting for you bitch'. They're clever you know what I mean.

Here to Judge-Episode 40- Fill Your Ballsack With Lavender

Priya: Yeah.

Leila: I think they understand human pettiness on a level because they're so petty, so I think this is the only way to deal with them.

Robin: Fight fire with fire.

Leila: Yeah.

Robin: Fight cats with cats.

Priya: Yeah mind games.

Leila: Have you ever done cat things to pretend, like my cat wouldn't drink out of his water fountain. So I had to pretend to drink out of it and then he would drink out of it.

Priya: Yeah and like scratching the post to teach them that they can scratch it.

Leila: Yeah.

Priya: My cat only plays with his toys when I play with his toys and it's only to stop me from playing with them.

Leila: Yeah.

Priya: Tragic. I also have a certain meow that sounds like a kitten that can bring my cat in from another room, and he comes in to check that the kitten is OK and then sees it's me and then immediately turns and leaves the room. And every time it breaks my little heart.

Leila: That's adorable.

Robin: Yeah, yeah, yeah.

Priya: You're the only one without a cat Robin so we sort of have to leave it up to you as to whether this is assholeish behaviour because it's been established that having a cat turns you weird.

Here to Judge-Episode 40- Fill Your Ballsack With Lavender

- Leila: Yeah we don't know what's normal anymore you know.
- Robin: And that's exactly the kind of passive aggressive behaviour I do with my daughter who I feel has feline tendencies because she's mean.
- Leila: [Laughs]
- Robin: She's a mean human so yes I will...
- Leila: And so she should be.
- Priya: So you favour your son to get her to be jealous?
- Robin: Oh no not favour my son.
- Priya: Just any plant?
- Robin: Yeah, yeah, yeah, beans. Any tin, tuna, tin of beans.
- Leila: Hi beans nice to see you.
- Robin: Hi beans.
- Leila: [Laughs]
- Robin: So cute. No I would absolutely, all I want is for her to love me and I'm sure she does.
- Leila: Aww.
- Robin: But I wish she showed it more often.
- Priya: [Laughs]
- Robin: It hurts my heart. Because I've been away for like, today was the first day I've been able to do bedtime in sort of 10 to 11 days, so I feel like, I always remember Rob Brown talking about this on a podcast having to sort of basically slot back into family life and you kind of like try not to get in the way because like everyone has been doing fine without you. And you just kind of feel oh sorry, sorry, sorry. She's been a bit snotty and ill, she's been extra clingy with Jen so the only fun bit we had today was

Here to Judge-Episode 40- Fill Your Ballsack With Lavender

when I was cooking dinner, Jen was upstairs, and the only thing I could do to entertain her was to get her to take the food to the food bin. So I was just throwing cabbage on the floor [laughs] and she was picking it up off the floor and taking it to the bin. I was like do you want some more and she was like 'Yeah, yeah'.

Priya: [Laughs] It's fun to have a job.

Robin: Yeah exactly, she just needs direction. She just needs direction.

Leila: Yeah, yeah, yeah for sure.

Robin: Isn't that what your children are for? Or is it like I could just get a robot Hoover.

Leila: [Laughs]

Robin: I don't think this guy is the buttface. I don't think he's an asshole. I think I really, really enjoy it and it really speaks to the desperate need to be loved deep within me [laughs].

Leila: No I think completely reasonable.

Priya: Yeah not the buttface.

[Here to Judge- Interim Music]

[Promotion for Who Are You Wearing?]

[Here to Judge- Interim Music]

Leila: Right I'm going to go onto this one, from Mumsnet now. 'Am I being unreasonable to think that RSPB shouldn't say if you don't want to see naked men stay away from the wood/' OK What?

Robin: [Laughs]

Leila: 'Am I being unreasonable to think that RSBP shouldn't say if you don't want to see naked men, stay away from the

woods/public footpaths.' That's a lot of double negatives, OK fine. 'So two years ago I visited Sherwood Forest and was by myself in the forest when I came across three naked men, which is a little unsettling for a woman by myself. It was a quieter part of the forest so at that moment nobody else was about and I hadn't seen anyone for a while on the public footpath. I spoke to some (clothed men) about it further along the path and they said it's a common occurrence and the police are frequently getting called to tell them to get dressed. It's in the news currently as large groups of naked men have been seen again. Seems the main areas they stick to are managed by the RSPB who seem to be encouraging it. The land may be managed by the RSPB but they're still public footpaths, not a pay as you enter nature reserve. The bit I actually saw the men in wasn't the RSPB bit but there's no fence or demarcation between them. RSPB say if you don't want to see naked men then stay away! For fuck sake, why is it the naked men get to ruin things for other people? The police say it's illegal if someone is offended.'

Robin: There's a lot here. There's a lot here.

Priya: Uh this surely has more context. Have you seen the link? I'm going to look at the link.

Leila: I'm confused. What is it pictures because I don't want to see that.

Priya: No it's not pictures. It's naturism and RSPB reserves.

Leila: RSPB stands for like the Royal Society of...

Robin: Protection of Birds.

Leila: ...Proud Bollocks yeah?

Robin: [Laughs] Yeah, yeah, yeah, yeah.

Priya: Very good [laughs].

Here to Judge-Episode 40- Fill Your Ballsack With Lavender

Leila: Thank you. Thank you very much. I was thinking about that, that's why I kept stumbling over. Yeah.

Priya: There is a tradition of naked activity.

Leila: Really?! In Sherwood Forest?

Priya: Isn't Sherwood Forest the Robin Hood one?

Robin: Yeah these men sound very merry [laughs].

Priya: [Laughs]

Robin: This happened two years ago.

Priya: OK.

Robin: Didn't it?

Priya: Where are you getting this from?

Robin: She said 'Two years ago I visited Sherwood Forest'.

Priya: Oh OK yeah sure.

Robin: The OP. Do the RSPB own land?

Priya: Apparently or they manage it.

Leila: What's it actually? The Royal Preservation of what?

Priya: Birds.

Leila: Birds.

Robin: Birds.

Leila: Yeah so what's that go to? Is it like you're not really? There's? What's that got to do with birds?

Priya: Within this landscape the RSPB manages two connected reserves, woodland and heathland. So I guess they manage the area so that the trees don't get chopped down and that the birds are all fine and happy and seeing all of the ballsacks they want to see.

Here to Judge-Episode 40- Fill Your Ballsack With Lavender

Robin: Yeah, yeah, yeah.

Priya: I want to know your opinions on naturists.

Leila: Um?

Robin: I'm fine with it.

Leila: I don't care.

Priya: Yeah OK me too.

Leila: I mean but also I don't want to see, like I just don't. When does a naturist become a streaker?

Priya: I think streaking is when you are knowingly putting your dick in front of people who don't want to see it. Naturists are doing it all very consensually.

Leila: So these aren't naturists then, these are streakers.

Priya: They are. So but the RSPB is saying naturists have been hanging out here for decades, if you come to this area you might see naturists, this is where they come.

Leila: Oh well that's.

Priya: So it's like a recognised naturist zone.

Robin: Yeah I feel like you know sort of naturist beaches, there's signposts and things. Naked bike rides.

Priya: Sure.

Robin: It's always quite well advertised and you're like that's you know.

Leila: Oh I hate seeing those.

Priya: It looks so uncomfortable.

Robin: It does look uncomfortable.

Priya: It looks like a recipe for thrush.

Here to Judge-Episode 40- Fill Your Ballsack With Lavender

Leila: If I'm really honest I always think cycling looks really painful for anyone with a dick and balls to be honest with you, just like.

Robin: I mean it lowers your sperm count.

Priya: Really?

Robin: It's like genuinely something.

Leila: Really?

Robin: Yeah totally. If you cycle loads.

Leila: Yeah it doesn't surprise me because you cycle on like.

Robin: Yeah.

Priya: Man.

Leila: Because those organs are up inside you know some people.

Robin: Totally. And there's a reason sort of, yeah you know when you see middle aged people having their breakdowns and sort of buying very soft bike seats and they're lycra and stuff and going up the A470.

Leila: Yeah it's because they finally can right?

Robin: Yeah, yeah, yeah.

Priya: Yeah, yeah, yeah.

Robin: They do that instead of getting a vasectomy.

Priya: Sure [laughs].

Leila: Oh my god brilliant. Have you thought about this Robin because you've got your vasectomy soon haven't you?

Priya: Yeah.

Robin: Vasectomy is a week tomorrow, yeah, yeah, yeah

Here to Judge-Episode 40- Fill Your Ballsack With Lavender

Priya: Oh exciting.

Robin: Very.

Priya: I can't get over how fast the turnaround is.

Robin: Say again sorry.

Leila: Sorry.

Robin: You both spoke at the same time because you're both so excited.

Priya: [Laughs]

Robin: I'm so excited as well.

Priya: Oh my god.

Leila: You'll be shitting yourself.

Robin: I had to have a phone consultation and then I think I've got to have kind of like a video consultation where I think they have to basically like check out my dick and balls [laughs].

Priya: Oh my god [laughs].

Robin: I think the doctor's legit?

Leila: Yeah, yeah, yeah.

Priya: Doesn't sound very legit but OK.

Leila: Robin Morgan's penis, show it to the world.

Robin: Yeah, yeah, yeah. RSPB horrified.

Leila: RSPB say it's fine.

Robin: Yeah, yeah, yeah it's fine as long as it's a safe place.

Priya: If you don't want to see a dick and balls don't go on Zoom.

Here to Judge-Episode 40- Fill Your Ballsack With Lavender

Robin: [Laughs] Exactly. But yeah they've done the consultation and they've got to ask all of the questions. They've checked if Jen knows, she's aware of it which is good. They checked if I'm happy with the size of my family.

Leila: When they say they've checked if Jen knows, do they like find? Do they go on Facebook Messenger do you know what I mean? Or is it like do they have to get your permission or is it like do they?

Robin: I don't know maybe they've sent a PI.

Leila: Yeah there's like someone...

Priya: Outside your house right now.

Robin: Yeah, yeah, yeah.

Priya: Yeah that's a woman who knows.

Robin: She won't have any more kids. And then they asked me, 'You know that you'll still be the same man afterwards?'

Leila: Really?

Robin: And I was like yeah thanks though.

Priya: Do they think that people think it's like when dogs get neutered and their personality changes?

Robin: Maybe, yeah, yeah, yeah totally. Like that is one of the key Googles.

Priya: Really?

Robin: Yeah if you put in vasectomy like 'Will I still be the same?'

Priya: Aww.

Robin: It's quite sweet isn't it?

Leila: Robin I imagine for you like because you're such a lovely nice man.

Here to Judge-Episode 40- Fill Your Ballsack With Lavender

Robin: Thank you.

Leila: But maybe it's like the opposite, you'll come out and you'll come back on the Monday after and be like 'All right wenches!'

Robin: Yeah, yeah, yeah, yeah. Listen to me just talking over you all.

Leila: Yeah [laughs] like just do the opposite and it's like no put it back.

Robin: Put it back [laughs].

Priya: It will keep things spicy.

Robin: Yeah, yeah, yeah, yeah. So I have to have two days off and I have to wear two pairs of tight underwear afterwards to keep everything in place.

Priya: To keep everything.

Robin: Yeah, yeah, yeah.

Priya: Oh my god!

Robin: I know right.

Priya: Do they provide you with tight underwear or do you have to?

Robin: No I have to go out and buy some size 4s [laughs].

Leila: Are you going to be able to pee or do you have like a catheter?

Robin: No I think I'll be able to pee.

Priya: So how are you going to? You're going to just stick your little out of one of those little pairs with holes in it yeah?

Robin: Well let's not say little.

Priya: [Laughs]

Here to Judge-Episode 40- Fill Your Ballsack With Lavender

- Robin: [Laughs] Don't say little twice in that sentence. 'Are you going to put your little through the little?' no, no, no.
- Leila: Yeah, yeah, yeah. Are you going to put your little tiny dick through the little tiny hole?
- Priya: [Laughs]
- Leila: Do they make them yeah.
- Robin: [Laughs] Oh god I'm not going to get it done anymore.
- Leila: No I actually quite hated it, I get it, how you are oh no like.
- Robin: I haven't thought about it a lot because I've been quite busy. I think this time next week I think I will be feeling a little bit like oh.
- Leila: It's great material, it is great material.
- Robin: It is great material.
- Priya: Worth it for that.
- Robin: But they won't know if it's successful for five months apparently.
- Leila: After I had my wisdom tooth out they asked me if I wanted to keep it. And I know this is very much not a snip thing, but I actually, imagine if it was just like they just cut it off and they just handed it to you.
- Robin: You know they're not cutting my balls off, you know that right?
- Priya: [Laughs]
- Leila: Yeah I absolutely do know that but take the imagery of you afterwards like taking them and maybe making them making them into a car air freshener like you tie it up.

Robin: Yeah, yeah, yeah, you get all those key rings with like kangaroo bollocks and stuff.

Leila: Yeah they fill them with lavender, fill your ballsack with lavender and hang it on your wing mirror.

Robin: That would be cute, I'd like that. Well I think you both know what you're going to get for Christmas this year [laughs].

Priya: [Laughs] Oh no.

Leila: [Laughs hysterically] Oh my god a ball each!

Priya: Either the full set or nothing, surely.

Robin: For uh [laughs]

Leila: This has gone really, really, really left field like too left field now.

Priya: [Laughs]

Robin: This is me. I think it's fine if they take any bit of musculars.

Leila: [Sings] All I want for Christmas is my friend's big balls.

Robin: Thank you for saying big!

Leila: Thank you, I did a conscious effort, yeah. Let's do the next one.

Priya: I don't think we decided if these people were the asshole or if she's being unreasonable.

Leila: Oh. I don't think she's being unreasonable. I don't think she should have to you know. I don't think you can be like 'Yeah this nature is property of like' you know?

Robin: I also don't think that the RSPB said to her 'If you don't want to see naked men stay away from the foot paths'.

Leila: Yeah.

Robin: We haven't really talked about this story in any way.

Leila: I don't really want to, to be honest.

Robin: Totally.

Leila: I think we had a better angle on it so that my answer is Robin no you're not the asshole for getting a vasectomy.

Robin: Thank you very much. That's quite sweet of you.

Priya: Yeah.

Leila: That's my answer to this story.

Robin: Finally, finally! It's about me.
