Robin: Welcome to Here to Judge where we scour the internet to dissect dilemmas and decide who's to blame. Here to Judge today is me, Robin Morgan.

Leila: Me, Leila Navabi.

Priya: And me, Priya Hall.

'Am I the asshole for perpetuating ethnic stereotypes about Jorts? We have two workplace cats in one area of our worksite. They add value to the worksite, we all love the cats and the worksite cat presence is not the issue. One of the cats (Jean) is a tortoiseshell cat we have had for years. The other cat (Jorts) is a large orange cat and a recent addition. Jorts is just kind of a simple guy. For example, Jorts can't open a door even when it's ajar. He shoves it whether he is going in or out, so often he closes the door he is trying to go through. That means he is often trapped inside the place he was trying to exit and meows until he is rescued. My colleague Pam (not her real name) has been spending a lot of time trying to teach Jorts things. The doors thing is the main example, it's a real issue because the cats are fed in a closet and Jorts keeps pushing the door closed. Jean can actually open all the other interior doors since they are a lever type knob, but she can't open this particular door if she is trapped inside the closet. Tortie Jean is very nice to poor orange Jorts, and she is kept busy letting him out of rooms he has trapped himself in, so this seems easy to resolve. I put down a door stop. Pam then said I was depriving Jorts of the "chance to learn" and kept removing the doorstop. She set up a series of special learning activities for Jorts, and tried to put these tasks

on the whiteboard of daily team tasks (I erased them). She thinks we need to teach him how to clean himself better and how to get out of minor barriers like when he gets a cup stuck on his head, etcetera. I love Jorts but he's just dumb as fuck and we can't change that. Don't get me wrong, watching her try to teach Jorts how to walk through a door is hilarious, but Jean got locked in the closet twice last week.'

Robin: [Sniggers]

Priya: 'Yesterday I installed a cat cut-out thing in the door and Pam started getting really huffy. I made a gentle joke about "you can't expect Jean's tortoiseshell smarts from orange cat Jorts" which made Pam FURIOUS. She started crying and left the hallway, then sent an email to the group (including volunteers) and went home early. In her email Pam said I was "perpetuating ethnic stereotypes by saying orange cats are dumb" and is demanding a racial sensitivity training before she will return. I don't think it's relevant but just in case, Pam is a white person in a mostly minority staff (and no she is not ginger/does not have red hair).' Too long didn't read, 'Am I the asshole for enforcing an ethnic stereotype by joking that orange cats are often dumb?'

Robin: Oh boy.

Leila: What's going on?

Robin: Pam pulls out an absolute blinder by leaving work because she believes that an orange cat has been racially abused. And now means that OP needs to go on a-- when they said 'Pam is white' I was like uh we know.

Priya: Oh yeah, yeah, yeah, yeah.

Leila: Do you know what? I think actually no this is quite good because I honestly do believe now that the way to get

Here to Judge-Episode 47- Hypnotise Your Parents

white people to care about racism is to apply it to animals.

Priya: Yeah like.

Leila: Because they care more about the ethnic prosperity of animals than they do human beings.

Priya: 100%. Do you remember when they were all kicking off about black cats?

Leila: No.

Priya: There was that thing where people were saying you should make an effort to adopt black cats because black cats are the ones that get adopted least.

Leila: What about black human children are the ones to get adopted least?

Priya: Maybe the people who are adopting cats shouldn't be adopting children?

Leila: That's true also. I just think that there's something in this.

Robin: Yeah it's not being a knob by stealth isn't it, it's sort of tricking people into being good people.

Leila: Imagine if Ricky Gervais cared about human beings as much as he cares about his stupid little animals.

Priya: We do know how you feel about animals so I'm not sure you can be 100% unbiased about this.

Robin: And we know how you feel about Ricky Gervais.

Priya: Yeah.

Leila: Yeah I mean what can I say?

Priya: What are the units for a tortoiseshell cat and what are the units for an orange cat be?

Leila: Same.

Here to Judge-Episode 47- Hypnotise Your Parents

Priya: Oh OK.

Leila: I'm not racist!

Priya: [Laughs] OK.

Leila: I'm not racist. Do cats have ethnicities? Because in my head the colour of a cats fur is the same as like the colour of a human being hair.

Priya: Yeah.

Leila: Rather than the colour of its skin.

Priya: Oh wait, no but so my cat has like a flat face and that's not just his fur.

Leila: Yes but this is just a ginger cat.

Priya: Yeah that's true.

Leila: So she's got ginger hair.

Priya: Yeah so if you shaved both of these cats they'd be exactly the same.

Leila: They'd be the same. That's what they should do.

Priya: Shave the cats.

Leila: [Sings to the tune of Here to Judge] Shave the cats. Shave the cats.

Robin: Shave the cats in the workplace.

L + P: Shave the, shave the, shave the cats.

Leila: Drop the beat Robin.

Robin: Shave the cats today was presented by.

Leila: [Laughs] Update, oh let's have the update.

Priya: An update.

Here to Judge-Episode 47- Hypnotise Your Parents

Leila: I was going to say the pupdate if you will but it's cats. Why would you call a cat Jorts?

Priya: I'm wondering this. And Jean seems like a very formal name for a cat. 'Update- I just met with HR, she had already met with Pam. HR was concerned about Pam's comparing ethnic stereotypes with giving a cat a doorstep and they addressed that which went well. HR will follow up to make sure Pam understands. (The replies to my query were helpful to me for this discussion.) HR also addressed Pam assigning other staff Jorts related tutoring, as it is not appropriate for Pam to assign others work. This also went well. We both think Pam had a hard time with the transition from volunteer to staff, and may have new kid sensitivity projected to Jorts. Pam got emotional about her perception that I favour Jean over Jorts and gave specific examples. Some of these things are fair. Jorts deserves respect as a member of our team.' [Laughs] Sure. 'The cats' presence greatly enhances our work with our clients, and Jorts' friendly nature has been so great. Both cats truly are doing important work. Truly Jorts deserves to be treated with respect. We all deserve to be treated with dignity at work, so I will apologise to Jorts about some things that were insensitive or disrespectful.' What workplace is this?

Robin: Yeah genuinely what is it?

Leila: Yeah I have no idea what they do.

Priya: 'A) Jean has a nice cat bed with her name on it, while Jorts has chosen an old boot tray in my office with a towel in it. Recently a visitor put wet boots in the boot tray and Pam saw Jorts sleeping on the wet boots.'

Leila: I think I'm Jorts.

Priya: [Laughs] You think you might be Jorts?

Here to Judge-Episode 47- Hypnotise Your Parents

Leila: Yeah.

Priya: OK who's Jean? Of me and Robin, who's Jean? And who is Pam?

Robin: I think I'm Pam.

Priya: Oh no you're Pam. Sweet white Pam.

Robin: No I think I'm HR. Sweet white Pam. Sweet innocent Pam.

Priya: I'm happy to be Jean in this situation she has a nice cat bed. 'I bought a bed for Jorts today and a name tag has been ordered. B) I will apologise to Jorts and remove the sign saying 'Days since Jorts had a trashcan mishap- 0' Jorts likes to fish dirty paper cups out and he often falls into the bin or gets a cup stuck on his head, etcetera.

Robin: That's hilarious.

Priya: '(He is able to get out of the bin by tipping it over so it isn't a safety issue.) C) Jean's staff bio has a photo of Jean, while Jorts' bio...' Why do they have?!

Robin: Sorry, sorry.

Leila: [Laughs]

Priya: Like on Outlook like they've got email addresses.

Robin: Fucking Jorts email sig has like he/him in his fucking signature.

Priya: 'Jorts' bio actually has a photo of a sweet potato'.

Robin: I hate this company so much.

Priya: [Laughs] This guy says 'I did not actually know either cat had a staff bio, but we will use a photo of Jorts instead of a sweet potato. HR also suggested changing Pam's duties so she is in charge of the cats. This I refused, the cats are my staff, not Pam's. I think Pam was well intended but actually not meeting the needs of either Jean or Jorts so

Here to Judge-Episode 47- Hypnotise Your Parents

they remain under my supervision. (Pam is also not to put cups on Jorts' head or intentionally put him into frustrating situations given his unique needs.) Lastly, and this made us both laugh so hard we can't deal with it in person and will be said via email. Pam admits that she has been putting margarine on Jorts in an attempt to teach him to groom himself better.' [Laughs]

Leila: No.

Priya: 'This may explain the diarrhea problem Jean developed (which required a vet visit). Pam is not to apply margarine to any of her co-workers. Jean has shown she is willing to be in charge of helping Jorts stay clean. If this task becomes onerous for Jean, we can have a groomer help. I am crying laughing typing this.' She's been putting margarine on a cat.

Leila: I was doing a face mask the other day, a clay face mask. And I had a good dollop of it in my hand and Biff came in and I forgot I had a dollop of it on my hand.

Priya: [Laughs]

Leila: And so I grabbed him. And what it is, I had a clay mask on him and I didn't know what to do. And so [laughs] it like dried on him.

Robin: Oh fuck.

Priya: Does he look so refreshed now?

Leila: He looks no [laughs] no he looks the opposite because I had to then brush it out of him but that bit of fur is all stuck together in a clump so he looks.

Robin: Yeah.

Priya: He's got a clump.

Leila: He's got a clump now.

Here to Judge-Episode 47- Hypnotise Your Parents

- Priya: At least he hasn't got like oily margarine fur.
- Leila: No that's so disgusting.
- Robin: You know they say like cats always land on their feet. And toast always lands butter side up. That's like a real big science experiment of which is going to work more now.
- Leila: Push your cat off...
- Robin: With margarine on and see which, it will just spin constantly.
- Leila: I wonder what do you think?
- Priya: What do I think of what? Putting margarine on a cat?
- Leila: No!
- Priya: I'm against.
- Leila: No. They're putting the margarine on the cat and then if they threw the cat out of the window, would it land on its feet or its back?
- Priya: [Laughs] I think the cat would almost certainly die and Pam would be in HR straightaway. She'd have a lot of questions to answer. Pamela.
- Leila: I love the idea that we've given you this as like a secret reading aptitude test.
- Priya: It's so long!
- Robin: You did really well.
- Priya: Thank you.
- Leila: You did really well, but it's one of those things that. Did you ever have this in school?
- Priya: Yeah.

Here to Judge-Episode 47- Hypnotise Your Parents

- Leila: Once in my school they made all the brown children, like 'We've got a special task for all of you, you've got to write a page about yourself and call it About Me'. And we were like oh we're the chosen ones. And it fucking turned out it was a government scheme to see how well children, it wasn't brown children, I think it was like children of mixed ethnicities were at school.
- Priya: It's not ideal.
- Leila: But we were all top of the class so it was quite funny really. Which is why we all thought that we were.
- Priya: Yeah the cream of the crop.
- Leila: The cream of the crop and they just wanted us to write essays. Did you ever have stuff like that that you had to do?
- Priya: Yeah I had to join a group called Sgwad Sgwennu which is Welsh for a Writing Squad.
- Leila: Sgwennu?
- Priya: Sgwad Sgweenu. [Speaks Welsh]
- Leila: Why Sgweenu? Isn't it [Speaks Welsh]
- Priya: Because they wanted it to go with squad, which is not a Welsh word.
- Leila: That's not how it words though.
- Priya: Yeah I'm very aware that Sgwad Sgweenu was not a legit endeavour.
- Robin: Imagine joining a writing squad and the title of writing squad is shit?
- Leila: [Laughs] Yeah.
- Priya: Oh we had that discussion day one.

Here to Judge-Episode 47- Hypnotise Your Parents

Leila: Right anyway go on, and that was for brown children who needed help?

Priya: Not necessarily brown children.

Leila: Did you not have that?

Priya: No I was the only brown kid in my school. I would have been the only person in that group.

Leila: Yeah. Yeah.

Robin: What a shit squad [laughs].

Leila: I think Sgwad Sgwennu was a fucking.

Priya: Do you think it was them trying to trick me?

Leila: Yeah that's exactly what I think it was.

Priya: That is a great shame.

Robin: What was the initial question on this? Am I the asshole for racially profiling a cat?

Priya: Yeah I think so. 'Am I the asshole for perpetuating ethnic stereotypes about Jorts?'

Robin: Sure.

Priya: It doesn't say cats in the title because they were like, you're going to want to know more about the Jorts.

Robin: Everyone knows Jorts.

Priya: I'll cover the Jorts thing soon.

Leila: What do you think about jean shorts for white people?

Priya: I feel like I've worn jean shorts in my life.

Leila: Have you? Jorts. But I feel like jean shorts, you know those super, like what sort of?

Robin: Denim hot pants.

Here to Judge-Episode 47- Hypnotise Your Parents

- Priya: I have both worn denim hot pants and board shorts.
- Leila: Have you worn board shorts? [Laughs]
- Priya: When I was 17 for a whole summer I wore nothing but jorts every day.
- Leila: Do you know they used to tell me in school I looked like Mowgli when I was little?
- Priya: Yeah I had that.
- Leila: Which Disney Princess are you? And this girl in my school went 'Leila's Mowgli' [laughs]. But I don't disagree with her. I don't.
- Priya: Bleak.
- Leila: That's bleak. Anyway, who's the asshole?
- Priya: Who's the asshole?
- Leila: Jorts.
- Priya: I think Jean is the asshole. Jean's getting away way to easily in this.
- Leila: Yeah that's true.
- Priya: I think Jean's been sabotaging Jorts.
- Robin: Putting cats on his head.
- Priya: So that a white lady spreads margarine on him and Jean gets some free margarine.
- Leila: I'm really excited for my one.
- Priya: OK.
- Leila: Can we do it?
- Priya: [Laughs] I guess we're done with Jorts.

Here to Judge-Episode 47- Hypnotise Your Parents

Leila: [Laughs] I just read the title and I really want to do it now. Can we do it?

Priya: OK. Shall we do final verdict on this?

Leila: Yeah and then they can put the sting after it.

Priya: I think Jean's the asshole.

Leila: Here to Judge, next one. That's what always happens after it, because I listen to our podcast.

Robin: Who do you think is the asshole?

Leila: Oh um Jean.

Robin: Pam.

Leila: What a little contrarian.

[Here to Judge- Interim Music]

Leila: 'Am the asshole for telling my aunt to flash those tits for a family group photo?'

Robin: [Laughs]

Priya: [Laughs]

Leila: [Laughs] 'I am what you can call fat, working on it but still a long way to go. I've always been large and I've always had what you call a baby face. It's something I've been bullied for growing up so it's a sensitive topic in general. My aunt is an individual who likes to get her way. If she doesn't she will push until it goes her way. She is also the kind of person who likes jokes at others expenses, but never her own. If someone would joke about her she will be sulky or tell them off. I am not fond of her due to be a target of her many jokes over the years, mainly for being big. So we were celebrating my granddaughter's birthday this weekend, everyone vaccinated dw.' [Laughs] Don't worry about that. Tell that to Omicron, is it Omicron?

Here to Judge-Episode 47- Hypnotise Your Parents

Priya: Omicron.

Leila: I like to call it Omicorn even though that's not what it's called. Anyway. 'Everyone vaccinated, don't worry. And all my extended family were there. My aunt was hosting. Everyone except my sister who just last week had a baby. She had an infection and was still at the hospital and could not attend. Which is a great shame because my nephew was the first great grandchild. So it was decided we would send her a copy of our yearly family photo. When we were setting up the shoot, my aunt said she had planned something. She comes out with a big toddler cap and a pacifier saying that I should wear it and use the pacifier, sitting in the front, as a fun gesture to my sister. I was pretty horrified and said 'No way' My aunt just replied 'Yes you will, it will be fun'. When I said no a second time this time with emphasis, she raised her voice saying 'Don't be difficult come on put it on'. My mother just sighed and said to just indulge her knowing my aunt will push until I do. Well here is the thing, I don't know what I was thinking but I said, 'I'll do it if you go topless and pretend to breastfeed me.'

Robin: Oh no [laughs].

Priya: 'Everyone went quiet. My aunt's eyes went wide and just said, 'Excuse me?' in a very offended tone. I followed up with a 'Come on, flash those tits'. And all hell broke loose, my cousins giggling, my mother and aunt stood choking with their mouths open.' Choking with their mouths open [laughs] why are they choking? What are they choking on? 'My aunt's husband shouted out, 'What the fuck did you just said to my wife, get the fuck out of my house'. More than happy to comply, I took my car keys and left, accidently leaving my parents with a \$60 cab bill, since I was their lift. When they came home my mum was furious and said she had never been more embarrassed and I needed to apologise. Which I just shook my head at

Here to Judge-Episode 47- Hypnotise Your Parents

saying 'I won't, she deserved it in my opinion'. She grounded me, not that she can since I am 18+.'

Robin: [Sniggers]

Leila: 'And has not spoken to me since. My aunt also kicked me out of our WhatsApp group and Facebook group. I need outside perspective on things. So there you have it am I the asshole for telling my aunt to flash her tits?'

Priya: What an insane response to being bullied.

Robin: Mm.

Priya: Get your tits out for the lads, the lads being all of your family.

Leila: I think it's really funny.

Priya: Would you do this?

Leila: Get my tits out?

Priya: No would it be your immediate response to your aunt if she was being a bell end to be like 'Get your tits out?'

Leila: No but I always put my foot in it by saying really weird things.

Priya: What 'Get your tits out so you can breastfeed me?'

Leila: No [laughs] No but you know what I mean sometimes you just say things and you're like, ah why have I? No?

Priya: Not to this degree.

Leila: I mean I wouldn't tell my aunt to get her tits out and breastfeed me no.

Priya: Also their uncle's reaction. What are saying to my wife?

Leila: Yeah that's so weird isn't it?

Here to Judge-Episode 47- Hypnotise Your Parents

Priya: What the fuck did you just say to my wife? Get the fuck out of my house.

Leila: That's like dramatised surely.

Priya: Yeah.

Leila: That's based on a true story.

Priya: No that is how I would react if someone said 'Get your tits out so you can breastfeed me'. Get the fuck out of my house!

Leila: Don't talk to my wife like that get out of my house.

Priya: Yes I would and they'd be like 'You don't have a wife'. I'd be like well.

Robin: That's my wife!

Priya: That's my wife you're talking to!

Robin: Pointing to yourself.

Leila: And they'd be like 'Priya you've got to stop talking about your cat like that it's getting weird.'

Priya: [Laughs] Exactly.

Leila: Have you ever told your cat to get his tits out?

Priya: Um no. I do every night before he goes to sleep I sing 'Get your tits out for the lads. For the lads'. But he's not awake when that happens so that doesn't count right?

Robin: Does he?

Leila: That's worse. That's like harassment.

Priya: What do you mean? He's asleep.

Leila: That's unconscious harassment that's worse. That's like you're trying to hypnotise him.

Priya: [Laughs]

Here to Judge-Episode 47- Hypnotise Your Parents

Leila: Did you ever try and hypnotise your parents when you were little?

Priya: No.

Leila: [Laughs] I definitely did. When you're little, I liked to go in the room and I'd be like [whispers] 'Tomorrow' [laughs].

Priya: Oh my god [laughs].

Leila: [Laughs] I used to go into my parents room when they were sleeping.

Robin: When they were sleeping.

Leila: When I was seven and I'd go [whispers] 'Tomorrow you're going to make spag bol'. [Laughs] And then just walk away.

Priya: You could just ask them when they were awake. That's not like an unreasonable request.

Leila: No but I think what had happens is I'd watched Darren Brown when I was like seven.

Priya: Sure.

Leila: And I was like I need to subconsciously programme my parents to do things I want them to do.

Priya: Are you worried your kids are doing this to you Robin?

Leila: Do you ever wake up and your children are just staring into your face?

Robin: Um? It's happened a couple of time.

Leila: So there you are.

Robin: And then I'd just have this insatiable urge to cook spag bol the next day.

Leila: [Laughs] What's that like?

Here to Judge-Episode 47- Hypnotise Your Parents

- Robin: Did you parents ever cook spag bol?
- Leila: Yeah loads.
- Robin: Do you reckon they were just awake and they were like, oh we'll fuckin' play along with it.
- Leila: No.
- Priya: Oh it's an easy one, because now we know what you want for dinner.
- Leila: I used to love doing stuff like that. I was so weird, I was such a weird child [laughs]. [whispers] 'Tomorrow we'll have spag bol'.
- Priya: People are going to use that now.
- Leila: [Laughs] Good.
- Robin: To hypnotise somebody into make like a very common delicious meal.
- Leila: [Laughs]
- Priya: Yeah that they absolutely would have made for you if you'd just asked for it.
- Leila: I don't know. You don't know my parents.
- Priya: Yeah OK I guess that's a weird line in the sand to draw.
- Robin: Having to think about what to make for dinner is like the biggest stress of my day. So that would be really helpful as the day before having a little whisper.
- Leila: Yeah just get a seven-year-old to come and whisper it to you as you sleep.
- Robin: How would I procure that service without ending up in some sort of trouble?
- Leila: You should tell your children 'Listen every night'

Here to Judge-Episode 47- Hypnotise Your Parents

Robin: [Laughs]

Leila: 'You just come through and whisper while I'm asleep what you want for dinner and then I will then intuitively know what to make you'.

Robin: [Whispers] If you can pre order the menu for tomorrow by whispering it in my ear.

Leila: Yeah [laughs].

Priya: But you'll have to whisper it in their ears to subconsciously plant.

Robin: Yeah, yeah, yeah. And any allergies whisper in the other ear.

Leila: [Laughs]

Robin: This is so weird.

Priya: Someone's at the door.

Leila: [Sings to the tune of Here to Judge] Auntie's tits, auntie's tits.

Robin: [Sings to the tune of Here to Judge] Auntie, Auntie, Auntie's tits.

Leila: Here she is. Morrison's.

Robin: Do you get a postal order at this time? Is it an Amazon Prime now?

Leila: No delivery Morrison's.

Robin: [Draws breath shocked]

Leila: I don't have anything else to say about tit woman, do you? Or tit man.

Priya: Um? I've got loads more to say.

Leila: Oh go on, go then. Go on Robin.

Here to Judge-Episode 47- Hypnotise Your Parents

- Robin: Uh Auntie lady I feel like is an awful person.
- Priya: Oh yeah.
- Robin: I feel like she's bullying one of her nephews or nieces by bringing out props to humiliate somebody.
- Priya: Yeah and making them dress as a baby feels like a weird delineation.
- Robin: And then for his mum or her mum to say 'Do it you know what she's like'.
- Leila: Yeah weird.
- Priya: Yeah it's weird. Oh it's definitely a weird family.
- Robin: Yeah 100%.
- Priya: I would give literally anything to be at one of their family reunions.
- Robin: Oh yeah totally. If you sort of like started dating into that family but weren't really involved you might think this is fucking great.
- Leila: How would you deal with this? Would you apologise? I'm sorry for saying 'Get your tits out' or would you just never speak?
- Priya: I would never speak to them again yeah.
- Leila: Yeah, no I couldn't speak to them again, I couldn't. I simply couldn't.
- Robin: He's out of her Facebook and WhatsApp groups. That feels like a proper like petty, she's a Karen isn't she? She's a Pam.
- Priya: Oh yeah.

Here to Judge-Episode 47- Hypnotise Your Parents

Leila: That's a kind of eviction, it's like that's very Davina McCall, being like 'Get your stuff and pack away and say your goodbyes'.

Priya: You're going.

Leila: You're leaving the Big Brother house.

Robin: Yeah.

Leila: Anyway Auntie's tits.

Robin: Yeah, yeah, yeah. Who's the asshole and who's the tits?

Priya: Um I think they're both probably assholes but I think the aunty is more of an asshole.

Leila: Mm, mm.

Priya: Because she manufactured this situation.

Robin: Yeah she fired first didn't she?

Priya: Mm-hmm.

Robin: Yeah I think Auntie asshole, nephew or niece not asshole.

Leila: It was written in the stars.

Robin: It was.

Priya: Get your tits out.

Robin: Alliteration.

Priya: My aunt.

[Here to Judge- Interim Music]

Robin: 'Am I the asshole for quitting on the spot when we were understaffed and making my manager cry? I worked at a clothes shop, the shop is divided into men's, women's and children's clothes. I always worked women's and on the weekdays I was always the only employee in that entire section. Yesterday myself and two other

Here to Judge-Episode 47- Hypnotise Your Parents

employees clocked into ours shifts. My manager Lisa pulled me aside and told me 'Your dad has called the stop five times asking for your rota please tell him to stop'. I got extremely confused because that didn't even sound like something my dad would do. I even texted him and he said he never called the shop once. I had a bad feeling and asked Lisa if she gave my dad my rota and she said she did. I then told her that wasn't my dad and she had no right telling a strange man my rota. She got annoyed and told me that it wasn't a big deal and I was being dramatic. I then quit on the spot which only left her and two other employees to watch the entire shop. She kept apologising and even burst into tears because they were understaffed. Am I the asshole?'

Priya: No!

Robin: Wow!

Priya: No leave, someone's after you.

Leila: That's so odd.

Priya: Yeah.

Leila: I mean this should be the least of their concern, there's someone that's trying to kill this person.

Robin: And also like she burst into tears because they were understaffed, not because she just put one of her employees at fucking risk.

Leila: Yeah imagine.

Priya: This is bleak but not that uncommon especially if you're working in hospitality. When I worked in a restaurant people used to ask my boss what time I was finishing.

Robin: Oh god!

Priya: So not that uncommon.

Here to Judge-Episode 47- Hypnotise Your Parents

- Leila: Ugh what so they could like follow you home?
- Priya: I don't know. Or if they could like be like 'Want to go for drinks?' And I'd be like I've just been serving curry for eight hours straight so no thank you.
- Leila: That's horrible the harassing of people when they can't escape in their jobs, it's terrible.
- Robin: Yeah and you'd have to be like, 'Mm-hmm maybe'.
- Priya: Mm-hmm.
- Leila: It that what you have to do? Did you do that?
- Priya: Oh no I always said 'No'.
- Leila: [Laughs]
- Priya: It was usually through quite a lot of sweat and covered in curry, so.
- Leila: Yeah.
- Priya: Someone once wrote their number for me on a nan bread. I think I've already said that on this podcast.
- Leila: No you haven't! I'd remember that.
- Robin: You haven't, that's insane. What in pen?
- Priya: Yeah on a nan bread.
- Leila: With a curry or with a?
- Priya: No with a pen.
- Leila: What did you do then?
- Priya: What do you think I did? I put the nan bread in the bin.
- Leila: That feels like racially micro aggressive.

Here to Judge-Episode 47- Hypnotise Your Parents

- Priya: Well in fairness to them nan bread was the only thing you could really write on. Unless you wanted to write it very small on a grain of rice. It was a curry house.
- Leila: [Laughs]
- Robin: I feel like if they could write it on a papadom without it cracking, I'd be like that's a Squid Game style challenge.
- Leila: [Laughs] Yeah. Oh my god.
- Priya: And the prize is you get to deal with my nonsense for one date.
- Robin: Yeah, yeah, yeah, yeah.
- Priya: Yeah, yeah, yeah. On a nan bread. I was impressed. I did throw the nan bread in the bin but.

- Priya: Bye!
